# Corbion announces details of share buyback program

**Corbion will execute a share buyback program of € 50 million in 2016. The share buyback program will be executed as from today, 21 March 2016, and will run to 31 December 2016 at the latest. The share buyback will not exceed 10% of the currently outstanding share capital, up to a maximum of € 50 million.**

The maximum number of shares to be repurchased on any given day will not exceed 25% of the average daily trading volume on the regulated market on which purchases are made, calculated over the last 20 trading days before the date of repurchase.

On 22 May 2015 the Annual General Shareholders' Meeting (AGM) granted the Corbion Board of Management the authority to repurchase shares up to a maximum of 10% of the issued share capital for a period of 18 months and a renewal will be requested at the AGM of 12 May 2016.

Corbion will update the markets on the progress of the share buyback program weekly on Monday. This information can be found on the Corbion website (<http://www.corbion.com/investor-relations/shareholder-information/share-buyback-program>).

The first progress report will be published on Monday 28 March 2016.

As part of its “Disciplined Value Creation” strategy, Corbion periodically reviews its debt position. The 2016 share buyback program is in line with this commitment.
