### Senior executive reallocates shareholding in Arise Windpower

The company's CFO, Thomas Johansson, has reallocated privately owned shares in Arise Windpower into an individually managed endowment insurance policy. The private sale of Arise shares by Thomas Johansson and the corresponding endowment insurance purchase of Arise shares amounts to 50,000 shares.

Ownership of endowment insurance does not entail a duty to report in accordance with the Swedish Financial Supervisory Authority's rules concerning transparency. The private sale is therefore the only transaction that has been reported to the Swedish Financial Supervisory Authority. The transaction means that Thomas Johansson's total share exposure in Arise Windpower remains unchanged.
