

May 28, 2010

Mats Fridolfsson appointed head of segment Sweden

Mats Fridolfsson, 48, has been appointed head of segment Sweden and member of Studsvik's Executive Group Management.

Mats Fridolfsson comes from Alstom Power Sweden AB where he since 2009 has held a position as Alstom's site manager at Oskarshamn nuclear power plant. In the period 2007–2009 he worked for Alstom as head of project management and controller for the Swedish modernization projects. One of Mats' previous positions was with Flextronics, improving the effectiveness of several of their manufacturing facilities in Sweden.

Mats Fridolfsson will assume the position as head of segment Sweden August 23, 2010.

Leif Andersson, who has been employed by Studsvik for a long period, and who in 2008 was appointed head of segment Sweden, will retire.
