Saab signs contract with FMV regarding Gripen

Saab has received an order from the Swedish Defence Material Administration, FMV, for the continuous support of Gripen's operational capacity. The contract is valued to MSEK 230.

Amongst other things the order covers product maintenance, technical support, basic operations such as test flying, rigs and simulators in order to ensure the Gripen system's operational ability and airworthiness. This work will be undertaken during the second half of 2010 at Saab's plants located in Linköping, Arboga, Göteborg and Stockholm.

Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.
