Who are insiders and connected persons?

Insiders at Novo Nordisk are defined as members of the Board of Directors, members of Executive Management, senior vice presidents and all employees reporting directly to them, all employees in Corporate Legal, Corporate Finance, Investor Relations and Corporate Communications, elected auditors and their deputies as well as certain other employees who by the general counsel have been categorised as insiders. Further, insiders include the following from Novo Nordisk's parent organisation, Novo A/S and the Novo Nordisk Foundation: members of the Board of Directors, members of Executive Management and other employees who have access to inside information re Novo Nordisk, as well as elected auditors. The insider register at Novo Nordisk comprises approximately 500 directors, executives and employees.

This group's reported trading in the Novo Nordisk share also includes trading undertaken by insiders' spouses/cohabitants or children under the age of 18 as well as any company, foundation and/or other businesses controlled by the insider, his/her spouse/cohabitant and/or children under the age of 18 (connected persons). This brings the group to a total of approximately 1,500–2,000 members. If the net value of the daily trading by this group does not exceed DKK 50,000, Novo Nordisk is not obliged to issue a stock exchange announcement on the trading undertaken by the group.

What are ID code and shares?

The ID code is the code (ISIN) of the Novo Nordisk share on the Copenhagen Stock Exchange. Shares include shares listed on the Copenhagen Stock Exchange and London Stock Exchange as well as ADRs listed on New York Stock Exchange, except for ADRs held in 401(k) retirement plan by US-based employees.

What is trading period?

Trading period is the actual period in which the trading of the shares has taken place.

What are net number of shares traded and value of net number of shares traded?

The net number of shares traded is the number of shares purchased or otherwise acquired minus the number of shares sold or otherwise disposed of by the insiders and connected persons as a group. The value of the net number of shares traded is the difference between 1) the aggregate value of shares acquired calculated at the actual trading prices for each trade and 2) the aggregate value of shares disposed of calculated at the actual trading prices for each trade. The Danish Central Bank's (Nationalbanken) exchange rate two stock exchange days prior to the date of this announcement has been used for calculating the actual trading price in DKK in case of shares traded on London Stock Exchange and ADRs listed on New York Stock Exchange.

What is total shareholding?

The total shareholding is the total number of shares held by the insiders and connected persons as a group.

What is market value of the total shareholding?

The market value is the total shareholding of the insiders and connected persons as a group multiplied by the closing share price on the Copenhagen Stock Exchange two stock exchange trading days prior to the date of this announcement.
