This Announcement has been prepared in Danish and translated into English. In the event of any discrepancy between the Danish Announcement and the English translation, the Danish Announcement shall prevail.

Cimber Sterling is a Danish-based airline with more than 850 employees, offices at five Danish airports and a fleet of 26 large and small aircraft. Cimber Sterling operates more than 1,000 flights per week and carries some 2.4 million leisure and business passengers per year. In addition to flights to domestic and holiday destinations and to a number of selected European destinations, Cimber Sterling is engaged in aircraft maintenance, development and sale of software for logistics relating to aircraft maintenance, and leasing of aircraft on wet and dry leases.
