In announcement no. 20 dated 16 August 2010, Solar A/S informed that the Group had entered into an agreement for the acquisition of parts of the activities in the Danish subsidiary of the Sonepar Group, Otra Danmark A/S. This acquisition has now been effected.

Otra Danmark A/S operates as wholesaler within the product areas electrical installation material, lighting, security/alarm, telecommunications/data communications as well as cords and cables. The part of the business acquired by the Solar Group consists primarily of sales to electrical contractors and the activities will be continued by the Group's Danish subsidiary Solar Danmark A/S.

Financial consequences

Yours faithfully,
