## Munters discloses information regarding order intake

For the purpose of providing the shareholders of Munters AB (publ) (“Munters” or the “Company”) with as updated information as possible when evaluating the public offer from Alfa Laval AB (publ) for the shares of Munters (the “Offer”), the Company considers it appropriate to disclose information regarding the order intake for June, July and August 2010.

During the end of the second quarter and during the third quarter 2010, Munters has noticed an increased demand for its products, which has resulted in an increased order intake. Compared to the same month previous year, the order intake increased by 18 percent in June, 22 percent in July and 25 percent in August.<sup>1</sup>

The turn is evident in both product divisions. Compared to the same month previous year, HumiCool has shown increased order intake every single month during the past six months up to and including August. Dehumidification has shown increased order intake during the past three months.

The Board of Directors of Munters believes that the order intake will affect invoicing and earnings for the current year positively.

<sup>1</sup> Adjusted for currency effects.
