## **NYKREDIT'S SHAREHOLDING IN AMAGERBANKEN A/S**

As stated in stock exchange announcement dated 19 August 2010, Nykredit would participate in the current capital increase of Amagerbanken A/S provided that an overall solution for Amagerbanken was obtained.

In accordance with the previous announcement, Nykredit has acquired shares the proceeds of which represent just over 5% of the capital need, equal to Nykredit's former shareholding.

As the shares have been fully subscribed for, Amagerbanken will receive capital exceeding the capital need set out in the prospectus.

Therefore, Nykredit's shareholding in Amagerbanken has been reduced proportionately and is now less than 5%.
