Explanation of Responses:

- (1) On July 2, 2010, Glencore International AG ("Glencore International") entered into a Master Terms and Conditions for Swap Transactions agreement (the "Swap Agreement") with Citigroup Global Markets Inc. ("Citi"), pursuant to which Glencore International and Citi may, from time to time, enter into cash-settled total return swaps (the "Swaps").

- Pursuant to the Swap Agreement, on September 15, 2010, Glencore International received economic exposure pursuant to a Swap entered into between Glencore International and Citi under which, upon expiration of a two-year term, (i) Glencore International will be obligated to make a cash payment to Citi with respect to any depreciation in the volume weighted average price of the 4,729,302 shares of common stock referenced by the Swap (the "Subject Shares") from the \$9.719270 per share volume weighted average price calculated during the initial averaging period for the Swap (which ended on the transaction date) to the volume weighted average price of the Subject Shares during the final valuation period preceding the expiration of the term of the Swap, or (ii) Citi will be obligated to make a cash payment to Glencore International with respect to any appreciation in such volume weighted average price based on the above period.
- (2)
- (3) In addition, under the terms of the Swap Agreement, generally, Glencore International will be obligated to post cash collateral to Citi and pay to Citi certain fees and commissions and Citi will be obligated to pay to Glencore International an amount in cash equal to any dividends that would have been paid by the Company on the Subject Shares.
- (4) The cash settled total return swap reported in Table II is held directly by Glencore International and may be deemed to be beneficially owned indirectly by its controlling shareholder, Glencore Holding AG. The cash settled total return swap does not give the reporting persons direct or indirect voting, investment or dispositive control over any securities of the issuer, and accordingly, Glencore International and Glencore Holding AG disclaim any beneficial ownership in the Subject Shares.
