

Rejlers objective of 1000 employees is achieved

(REJL B)

Through recruiting new staff and implementing strategic acquisitions Rejlers have succeeded in meeting its objective to be 1000 employees in 2010. Rejlers published its growth target when the company was listed on the stock exchange in 2003 and has since then grown by around 400 percent.

Rejlers continues its journey to reach the new objective to employ at least 2,015 employees and have a turnover of at least SEK 2,015 million by 2015. Growth will be achieved through recruitment and acquisitions in the Nordic and Baltic region.
