Rumours in the market regarding offshore order from PNE WIND AG in Germany

Today, there are rumours in the market regarding Vestas being selected as supplier for a 252 MW offshore project in Germany.

Vestas can confirm that an agreement has been reached between the German company PNE WIND AG and Vestas regarding supply of turbines for the project Gode Wind II. The agreement is conditioned by final financing and as soon as this is in place, Vestas will disclose a company announcement with further details of the project.

Vestas discloses this announcement based on Vestas' obligation as a Danish listed company.
