PRESS RELEASE

Net Entertainment re-signs agreement with NordicBet

Net Entertainment has renewed its license agreement with NordicBet for continued delivery of the award winning CasinoModule™.

Net Entertainment will continue to provide NordicBet with their online casino solution giving their customers continued access a wide selection of first class casino games. "After extensive market research it was evident that Net Entertainments CasinoModule™ is the best solution for our needs. Not only will we be able to serve our player's with high-end entertainment but also frequent games releases which is essential for our competitiveness" says Lars Söderlund, Business Development Director at NordicBet.

"I am very proud to announce that one of northern Europe's fastest growing gambling sites, NordicBet, has decided to renew their agreement with us. Their extensive market research evaluated every aspect of our platform and proves that we continue to be market leaders in casino software development" says Johan Öhman, CEO for Net Entertainment

In addition Net Entertainment has signed license agreements with Starpriceonline, a sportsbook targeting the central European market and Intragame, a start-up gaming site. Both operators aim to go live during the third quarter. Net Entertainment has thereby signed eight new license agreements for CasinoModule™ during 2008.

Net Entertainment develops digitally distributed systems for Internet gaming. The core product, CasinoModule™, is a complete gaming platform that comprises a high number of browser based games as well as a powerful administration tool. Customers are offered a system solution that is adapted to each customer and is easily integrated with their existing websites. Net Entertainment licenses the CasinoModule™ on a royalty basis based on the revenues the product generates. Net Entertainment is listed on the Nordic Growth Market (NET-B). More information about Net Entertainment is available on www.netent.com.
