PRESS RELEASE

bet-at-home.com selects CasinoModule™

bet-at-home.com selects the Net Entertainment CasinoModule™ as their new casino platform. bet-at-home.com, one of the largest European online operators, will thereby replace its existing casino solution.

“Our operation has grown substantially over the last couple of years which has placed new requirements on our IT systems. Our casino company has been looking for a new casino solution for some time and after reviewing Net Entertainment’s CasinoModule™, there was very little debate as to who would be their long term casino partner” says Franz Ömer, CEO at bet-at-home.com.

bet-at-home.com is one of Europe’s 10 largest online sports betting sites with well over 1,000,000 registered users. The key geographical markets are Central and Eastern Europe. Founded in 1999 the company is listed in Frankfurt and has subsidiaries operating under Maltese licensing.

“The CasinoModule™ will provide us with not only market leading games but equally a top notch back-end management system which is imperative for our continued success.” explains Franz Ömer.

“The deal with bet-at-home.com is a milestone for Net Entertainment and I am very pleased that that they selected us to provide them with their new casino. Being specialists, we are able to bring games new features to market that actually makes a difference to the operators. I am convinced that the partnership with bet-at-home.com is going to be very successful for both parties.” Says Johan Öhman, CEO at Net Entertainment.

The aim is to launch the CasinoModule™ during quarter two.

Net Entertainment develops digitally distributed systems for Internet gaming. The core product, CasinoModule™, is a complete gaming platform that comprises a high number of browser based games as well as a powerful administration tool. Customers are offered a system solution that is adapted to each customer and is easily integrated with their existing websites. Net Entertainment licenses the CasinoModule™ on a royalty basis based on the revenues the product generates. Net Entertainment is listed on the Nordic Growth Market (NET-B).
