PRESS RELEASE

Net Entertainment signs agreement with Stryke Entertainment

Net Entertainment has signed a license agreements with Stryke Entertainment Ltd. for delivery of its award winning CasinoModule™. In total Net Entertainment has thereby signed 17 new license agreements during 2007.

Stryke Entertainment Ltd. operates the gaming website www.stryke.com since 2006 which today has well over 50.000 registered players. Stryke is licensed in Malta and has its primary focus on the central European markets. "To extend our sports book and poker business with an online casino was a natural step and we see great revenue potential through our existing player base. We chose the Net Entertainment CasinoModule™ as they have one of the most renowned and well recommended casino solutions on the market." says Rajiv Giri, CEO at Stryke Entertainment Ltd.

"Our continued sales success is obviously very satisfying and is the result of a strong product and our strengthened sales organization." says Johan Ohman, CEO for Net Entertainment and continues "Stryke has quickly built up a considerable player base and it is very encouraging that they have chosen Net Entertainment as their strategic partner for casino games".

Net Entertainment develops digitally distributed systems for Internet gaming. The core product, CasinoModule™, is a complete gaming platform that comprises a high number of browser based games as well as a powerful administration tool. Customers are offered a system solution that is adapted to each customer and is easily integrated with their existing websites. Net Entertainment licenses the CasinoModule™ on a royalty basis based on the revenues the product generates. Net Entertainment is listed on the Nordic Growth Market (NET-B). More information about Net Entertainment is available on www.netent.com.
