Publication of price sensitive information at a specific time

NASDAQ OMX Copenhagen has given a reprimand to Greentech Energy Systems A/S because the company did not publish a company announcement regarding the production halt of Energia Verde, at the latest at the point in time where the company's management must have realised that the production halt would last for a significant amount of time, in accordance with rule 3.1.1 and 3.1.3 in Rules for issuers of shares.

The complete decision is available in Decisions & Statements on the following link:

In order to ensure more transparency about the decisions from the exchange, the exchange decided, on 1 July 2008, to publish decisions made by the exchange concerning a reprimand or a fine, with the identity of the issuer. This is stated in Rules for issuers of shares on NASDAQ OMX Copenhagen, rule 5.
