PRESS RELEASE

Net Entertainment signs two new agreements

Net Entertainment has signed agreements with Euro Gaming Ltd. and Goldbet Sportwetten Gmhb for delivery of the award-winning CasinoModule™. This means that Net Entertainment has signed eight new license agreements during 2007.

Euro Gaming Ltd operates one of the world's largest online bingo sites through "Bingos.com" / "Bingos.co.uk" as well as the casino site "Casino Joker". CasinoModule™ will be implemented at "CasinoJoker" during Q3 2007 and the parties aim to complete the integration also at the groups other sites by the end of 2007.

Dominic Mansour, CEO of Euro Gaming Ltd says: *"After extensive market research, Net Entertainment's CasinoModule™ was the obvious choice for us. Given our size we have very tough requirements with regards to product quality and scalability and we feel Net Entertainment meets these in full. The agreement with Net Entertainment will enable us to offer our customers a better gaming experience and we expect this to result in significantly increased revenues and customer loyalty".*

Goldbet Sportwetten GmbH is a fast growing gaming portal and has established itself as one of the largest operators in the Italian- and Austrian markets, with over 15000 registered users. The addition of Net Entertainment's CasinoModule™ will enable "Goldwinportal.com" to develop their "VIP Casino" offering and significantly increase their revenue streams.

Johan Öhman, CEO of Net Entertainment says: *"The fact that another two European operators choose to work with Net Entertainment further strengthens our position as a supplier of online Casino Software and shows the competitiveness of our offering. Our continued sales success is highly satisfactory and in particular the advancements made within the bingo market".*

Net Entertainment develops digitally distributed gaming solutions. The core product, CasinoModule™, is a complete gaming solution comprising a broad range of browser based games and a powerful management system. The licensees are provided a customized solution which through a fast and seamless integration allows the licensees to extend their offering and thereby increase revenues. CasinoModule™ is licensed on a revenue share basis. Net Entertainment is listed at the Nordic Growth Market in Stockholm (NET-B).
