Rumours in the market regarding offshore project in Belgium

Today there are rumours in the market regarding Vestas being in final negotiations for an offshore project in Belgium.

Vestas can confirm that negotiations between Eldepasco and Vestas are ongoing, but Vestas has not yet received a firm and unconditional order for the project. If the negotiations between the customer and Vestas will result in a firm and unconditional order, Vestas will make a company announcement immediately thereafter.

Vestas discloses this announcement based on Vestas' obligation as a Danish listed company.
