Exchange notice**IT 57/11****IT – Genium INET Fixed Income Market Wide Acceptance Tests**

To prepare for Genium INET Fixed Income production launch, three Market Wide Acceptance Tests will be arranged during April and May 2011.

- April 28th (CET 18.00-20.00)
- May 5th (CET 18.00-20.00)
- May 19th (CET 18.00-20.00)

It is mandatory to participate in at least two of the MWATs.

The Nordic Member web has been updated with new information related to the MWATs, including a template for the MWATs registration & report, test schedule for the MWATs and the MWAT plan. Please review this information to plan and prepare for the MWATs.

Please register for the MWATs no later than **April 19th**.

To prepare for these MWATs we would like to encourage all participants to be active in the testing available in Genium INET Fixed Income Ext2. If you are not using your own or third party trading platform please make sure to use the latest version of the Genium INET Trading Workstation released on the 4th of April, if applicable, at http://nordic.nasdaqomxtrader.com/digitalAssets/73/73762_tw_2.0.0210_6_tsn-1.2.1.4748_r14748.zip together with its release notes at http://nordic.nasdaqomxtrader.com/digitalAssets/73/73766_release_notes_tw_1_2_1_4748.pdf.

See http://nordic.nasdaqomxtrader.com/memberextranet/genium_inet/testing/ for all related MWAT documents.
