Saab signs contract with FMV regarding Gripen

Saab has received an order from the Swedish Defence Material Administration, FMV, for supporting Gripen's operative capacity. The contract is valued to 550 million SEK.

The order includes for example programme management, product maintenance, support, flight testing, pilot equipment and simulators to support the operative capacity of the Gripen system. Work will be carried out during 2009.

The contract renders possibilities for Saab to provide continued support and development of Gripen for the Swedish Air Force.

Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.
