IT 88/11**IT – INET Prod – Norwegian shares to Nordic@Mid facility in PROD postponed**

NASDAQ OMX Nordic is postponing the production launch of Nordic@Mid facility on Norwegian shares. NASDAQ OMX Nordic announced earlier in [IT Notice 63/11](#) that Norwegian shares will be added to Nordic@Mid, a non-displayed execution service facility, in May 23, 2011.

New production schedule for adding Norwegian shares to Nordic@Mid facility will be communicated during next week.

Due to a lot of changes to be launched on INET Nordic, Monday May 23, you will receive a summary notice separately.
