

NASDAQ OMX welcomes Empire AB to First North Premier

Stockholm, May 2, 2011 — The NASDAQ OMX Group, Inc. (NASDAQ: NDAQ), announces that the trading in Empire AB (short name: EMP B) shares will commence today, May 2, on the First North Premier segment at NASDAQ OMX Stockholm. Companies on First North Premier commit to follow the disclosure rules of NASDAQ OMX Nordic main markets, and to apply International Financial Reporting Standards (IFRS) for accounting and financial reports.

Empire AB is a Sweden-based company engaged in the distribution and marketing within the home and household products sector. Its product portfolio includes beverage machines, household products and hair care products. Empire offers products under such brands as SodaStream, C3, BaByliss and Cuisinart. The company has subsidiaries in Sweden, Norway, Finland, Denmark and the Baltics.

Per Björkman, CEO at Empire commented: “With household brands in our portfolio such as SodaStream and BaByliss, we have a strong foundation for growth in the Nordic and Baltic regions. Our listing on First North Premier will allow us to gain better investor and brand exposure and should also be seen as a step towards the main market at NASDAQ OMX Stockholm”.

Jenny Rosberg, Senior Vice President NASDAQ OMX said: “We are pleased that Empire chose to list at First North, thus joining one of Europe’s most liquid growth markets. We have had a strong inflow of new companies to First North so far this year, and welcome more companies to take advantage of the visibility and reach we can offer”

Empire belongs to the Industrials sector and is the 29th company to qualify for the First North Premier segment, and the 8th company to move its listing from Aktietorget to First North. Empire has appointed Remium AB as Certified Adviser.

About First North

First North is a regulated multilateral trading facility, operated by the different exchanges within NASDAQ OMX Nordic. It does not have the legal status as an EU regulated market. Companies at First North are subject to the rules of First North and not the legal requirements for admission to trading on regulated market. The risk in such an investment may be higher than on the main market.
