Appendix 1 to the Articles of Association of Veloxis Pharmaceuticals A/S

Pursuant to authorization granted by the shareholders of Veloxis Pharmaceuticals A/S (hereinafter “Veloxis Pharmaceuticals”) the Board of Directors of Veloxis Pharmaceuticals has resolved that the following terms and conditions shall apply to warrants granted to employees, consultants, advisors and board members during 2003, 2004, 2005, 2006, 2007 and 2008:

1. General

- 1.1** Veloxis Pharmaceuticals A/S (hereinafter “Veloxis Pharmaceuticals”) has decided to introduce an incentive scheme for Veloxis Pharmaceuticals' employees, consultants, advisors and board members (hereinafter collectively referred to as “Warrant Holders”). The scheme is based on issuance of options, also called warrants (hereinafter only referred to as “warrants”), which are not subject to payment.
- 1.2** A warrant is a right, but not an obligation, during fixed periods (exercise periods) to subscribe for new shares in Veloxis Pharmaceuticals at a price fixed in advance (the exercise price). The exercise price, which shall correspond to the market price at the date of issuance, shall be determined by the board of directors in connection with the grant of warrants. Each warrant carries the right to subscribe for nominal DKK 1 share in Veloxis Pharmaceuticals at the subscription price determined by the board of directors at the date of issuance.
- 1.3** Warrants will be offered to employees, consultants, advisors and board members in Veloxis Pharmaceuticals at the discretion of the Board of Directors after suggestion from the management. The number of warrants offered to each individual shall be based on an individual evaluation of the Warrant Holder's duties. It shall appear from the individual Warrant Holder's warrant certificate how many warrants have been granted to the Warrant Holder and what the exercise price for the warrant is.

2. Granting/subscription of warrants

- 2.1** Warrant Holders who wish to subscribe the offered warrants shall sign a Warrant Certificate with this Appendix attached.

2.2 The granting of warrants shall not be subject to payment from the Warrant Holders.

2.3 Veloxis Pharmaceuticals shall keep records of granted warrants and update the records at suitable intervals.

3. Vesting

3.1 The warrants shall be vested with 1/36 per month from the date of grant of the warrants. The board may have determined a different vesting period in its decision to issue warrants.

727,364 warrants, which are issued to Veloxis Pharmaceuticals' employees, consultants, advisors and board members on board meetings of respectively 4 April 2003, 3 October 2003 and 19 December 2003, shall, however, be vested with 1/36 per month from the date of employment.

554,580 warrants, which are issued to JMM Invest ApS on board meetings of respectively 4 April 2003, 29 August 2003 and 22 March 2004 shall be fully vested as from the time of the issuance.

227,636 warrants which are issued to JMM Invest ApS and 83,244 warrants which are issued to Veloxis Pharmaceuticals' Chief Financial Officer Michael Wolff Jensen on the board meeting of 22 March 2004 vest fully and may, in addition to the ordinary exercise periods, (in case they have not lapsed before then) be exercised immediately before one of the events described in clauses 5.10, 5.11 and/or 6.1 below.

3.2 If the stipulated fraction does not amount to a whole number of warrants, the number shall be rounded down to the nearest whole number.

3.3 Warrants shall only be vested to the extent the Warrant Holder is employed by Veloxis Pharmaceuticals, cf. however clause 3.4 to 3.6 below.

3.4 In the event that the Warrant Holder terminates the employment contract and the termination is not a result of breach of the employment terms by Veloxis Pharmaceuticals, and in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder has given Veloxis Pharmaceuticals

good reason to do so, then the vesting of warrants shall cease from the time the employment is terminated, meaning from the first day when the Warrant Holder is no longer entitled to salary from Veloxis Pharmaceuticals, notwithstanding that the Warrant Holder has actually ceased to perform his/her duties at an earlier date. In addition hereto the Warrant Holder's right, if any, to receive warrants granted after termination of the employment shall cease. With respect to warrants issued to employees of Veloxis Pharmaceuticals on the board meetings of 4 April 2003, 3 October 2003, 19 December 2003, 22 March 2004, 28 April 2004 and on the General Meeting on 16 June 2004 (previous Appendices A, B and D) excluding warrants granted to JMM Invest ApS on the board meetings held on 4 April 2003 and 22 March 2004 (previous Appendix C) the foregoing clause 3.4 applies regardless of the reason for termination of the employment contract.

- 3.5** In the event that the Warrant Holder terminates the employment contract and the termination is a result of breach of the employment terms by Veloxis Pharmaceuticals, or in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder having not given Veloxis Pharmaceuticals good reason to do so, then warrants shall continue to vest as if the Warrant Holder was still employed by Veloxis Pharmaceuticals. This clause 3.5 only applies to warrants issued to employees of Veloxis Pharmaceuticals on the board meetings held on 20 June 2005, 21 September 2005, 17 October 2005 and 12 December 2005 as well as the General Meetings held on 16 December 2004, 17 March 2005, as well as 7 November 2005 (previous Appendices E and F) as well as on board meetings or General Meetings held after 7 November 2005 cf. however clause 3.6 below.
- 3.6** Regardless of clauses 3.4 and 3.5 the following shall apply to grants of warrants made on 14 May 2008 and later to Warrant Holders who are employees and receive the warrants as part of an employment relationship but who are not comprised by the (Danish) law no. 309 of 5 May 2004 (the Stock Option Act): Regardless of the reason for the termination of the employment relationship the vesting of warrants shall cease from the time the employment is terminated, meaning from the first day when the Warrant Holder is no longer entitled to salary from Veloxis Pharmaceuticals or its subsidiary, notwithstanding that the Warrant Holder has actually ceased to perform his/her duties at an earlier date. In addition hereto the Warrant Holder's right, if any, to receive warrants granted after termination of the employment shall cease. It is noted that employees whose employment relationship is not governed by Danish law cannot by reference to clause 11.1 below be able to claim any rights pursuant to provisions of Danish

mandatory legislation and that no such provisions are included in this warrant scheme. The aforesaid cannot be used as basis for *e contrario* interpretation with respect to warrant grants made prior to 14 May 2008.

- 3.7** Should the Warrant Holder materially breach the terms of the employment, the vesting of warrants shall cease from the date when the Warrant Holder is dismissed due to the material breach.
- 3.8** Warrants issued to consultants, advisors and board members only vest to the extent that the consultant, advisor or board member acts on behalf of Veloxis Pharmaceuticals as a consultant, advisor or board member.
- 3.9** If the Warrant Holder takes leave – other than maternity leave – and the leave exceeds 60 days, the dates when the warrants shall be vested shall be postponed by a period corresponding to the duration of the leave.

4. Exercise

- 4.1** When a warrant has been vested, it may be exercised during the exercise periods. The exercise periods run for 21 days from and including respectively the day after the Company's publication of i) the annual report notification – or if such notification is not published – the annual report and ii) the interim report (6 months report). The last exercise period shall run for 21 days following the date of the publication of the interim report for the first 6 months of 2012. With respect to warrants granted 14 May 2008 or later, the exercise periods shall (in addition to i) and ii) above) run for 21 days from and including respectively the day after the Company's publication of its interim financial report for the first 3 months and the Company's publication of its interim financial report for the first 9 months of the year.

As concerns 2,145,820 warrants, which are issued to JMM Invest ApS and to Veloxis Pharmaceuticals' employees, consultants, advisors and board members on board meetings of respectively 4 April 2003, 29 August 2003, 3 October 2003, 19 December 2003, 22 March 2004, 28 April 2004 and on the General Meeting on 16 June 2004, the last exercise period is, however, 21 days following the date of the publication of the interim report for the first 6 months of 2011.

- 4.2** If the last day of an exercise period is Saturday or Sunday, the exercise period shall also include the first weekday following the stipulated period.

- 4.3** When warrants have been vested, the Warrant Holder shall be free to choose, which exercise period to apply for the vested warrants, cf. however, clause 4.5 below regarding material breach. It is, however, a condition for exercise that the Warrant Holder in a given exercise period exercises warrants, which give a right to subscribe minimum nominal DKK 1,000 shares.
- 4.4** Warrants not exercised by the Warrant Holder during the last exercise period shall become null and void without further notice or compensation or payment of any kind to the Warrant Holder.
- 4.5** The Warrant Holder's exercise of warrants is in principle conditional upon the Warrant Holder being employed in Veloxis Pharmaceuticals at the time when warrants are exercised. In case of termination of the employment the following shall apply:
- a. In the event that the Warrant Holder is terminating the employment contract and the termination is not a result of breach of the employment by Veloxis Pharmaceuticals, and in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder having given Veloxis Pharmaceuticals good reason to do so,, the Warrant Holder is only entitled to exercise the warrants vested at the time of termination. Exercise shall take place during the first coming exercise period after termination of the employment, however the Warrant Holder shall always have minimum 3 months from the date of termination to decide if warrants shall be exercised. To the extent that the first coming exercise period commences within 3 months from the date of actual termination the Warrant Holder shall be entitled to exercise the warrants in the exercise period following the first coming exercise period. All vested warrants not exercised by the Warrant Holder according to this clause shall become null and void without further notice or compensation or payment of any kind.

With respect to warrants issued to employees of Veloxis Pharmaceuticals on the board meetings of 4 April 2003, 3 October 2003, 19 December 2003, 22 March 2004, 28 April 2004 and on the General Meeting on 16 June 2004 (previous Appendices A, B and D) excluding warrants granted to JMM Invest ApS on the board meetings held on 4 April 2003 and 22 March 2004 (previous Appendix C), clause 4.5 (a) above applies in all instance where the employment of the warrant holder by Veloxis Pharmaceuticals ceases including also as a result of illness, death, disability, retirement or death, cf.

however, clause 4.5(d) in fine, below.

As concerns 554,580 warrants, which are issued to JMM Invest ApS on the board meetings held on 4 April 2003, 29 August 2003 and 22 Marts 2004 (previous Appendix C), clause 4.5(b) above does not apply. Rather, Clause 4.5(a) as written below applies:

In the event that the CEO's employment is terminated by Veloxis Pharmaceuticals due to a material breach by the CEO of the employment contract or in the event that the CEO should terminate the employment contract without this being due to a breach of the employment contract by the Veloxis Pharmaceuticals, the Warrant Holder shall (irrespective of clauses 4.1 – 4.3.), to the extent that it wishes to exercise warrants, exercise the warrants in the first coming exercise period after the date of the CEO's actual cessation of the employment. If warrants are not exercise accordingly the warrant shall automatically be deemed null and void without any compensation or payment of any kind to the Warrant Holder.

- b. In the event that the Warrant Holder terminates the employment contract and the termination is a result of breach of the employment by Veloxis Pharmaceuticals, or in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder have not given Veloxis Pharmaceuticals good reason to do so, the Warrant Holder is entitled to exercise the warrants as if the Warrant Holder were still employed with Veloxis Pharmaceuticals. Exercise shall take place in accordance with the general terms and conditions regarding exercise of warrants stipulated in clause 4.1 – 4.5. This provision shall apply if the employment contract is terminated due to your retirement This clause 4.5(b) only applies to warrants issued to employees of Veloxis Pharmaceuticals on the board meetings held on 20 June 2005, 21 September 2005, 17 October 2005 og 12 December 2005 as well as the General Meetings held on 16 December 2004, 17 March 2005 and 7 November 2005 (previous Appendices E and F) as well as on board meetings or General Meetings held after 7 November 2005 cf. however clause 4.5(c) below.
- c. Regardless of clause 4.5 (b) the following shall apply to grants of warrants made on 14 May 2008 and later to Warrant Holders who are employees and receive the warrants as part of a employment relationship but who are not comprised by the (Danish) law no. 309 of 5 May 2004 (the Stock Option

Act): the Warrant Holder is only entitled to exercise the warrants vested at the time of termination. Exercise shall take place during the first coming exercise period after termination of the employment, however the Warrant Holder shall always have minimum 3 months from the date of termination to decide if warrants shall be exercised. To the extent that the first coming exercise period commences within 3 months from the date of actual termination the Warrant Holder shall be entitled to exercise the warrants in the exercise period following the first coming exercise period. All vested warrants not exercised by the Warrant Holder according to this clause shall become null and void without further notice or compensation or payment of any kind. It is noted that employees whose employment relationship is not governed by Danish law cannot by reference to clause 11.1 below be able to claim any rights pursuant to provisions of Danish mandatory legislation and that no such provisions are included in this warrant scheme. The aforesaid cannot be used as basis for *e contrario* interpretation with respect to warrant grants made prior to 14 May 2008.

- d. If the employment is terminated as a consequence of summary dismissal of the Warrant Holder on grounds of material breach, all warrants not exercised at that time shall become null and void without notice or compensation. As concerns warrants issued to employees of Veloxis Pharmaceuticals on the board meetings held on 20 June 2005, 21 September 2005, 17 October 2005 og 12 December 2005 as well as the Geneal Meetings held on 16 December 2004, 17 March 2005, and 7 November 2005 (previous appendices E and F) as well as on board meetings or General Meetings held after 7 November 2005 then if the material breach is committed prior to the dismissal the vesting and the right to exercise warrants shall be deemed to have ceased at the time of the material breach. The Warrant Holder shall in this case, after demand from Veloxis Pharmaceuticals, be obligated to sell to Veloxis Pharmaceuticals shares which have been subscribed though exercise of warrants, after the date of the material breach. The shares shall be sold at a price corresponding to the subscription price paid by the Warrant Holder.
- e. As concerns warrants issued to employees of Veloxis Pharmaceuticals on the board meetings held on 20 June 2005, 21 September 2005, 17 October 2005 og 12 December 2005 as well as the Geneal Meetings held on 16 December 2004, 17 March 2005, and 7 November 2005 (previous appendices E and F) as well as on board meetings or General Meetings held after 7 November 2005 then if the employment is terminated due to the death of the Warrant

Holder all warrants not exercised by the Warrant Holder shall become null and void. For all warrants issued during 2003 – 2005 as well as on board meetings or General Meetings held after 7 November 2005, however, the Veloxis Pharmaceuticals Board of Directors may decide to enable the estate of the Warrant Holder to exercise the issued warrants whether they have been vested at the time of the death or not on the condition that exercise be effected during the first exercise period commencing after the death.

- 4.6** If the Warrant Holder is a consultant, advisor or board member the exercise of warrants is in principle conditional upon the Warrant Holder being connected to Veloxis Pharmaceuticals in this capacity at the time when warrants are exercised. In case that the consultant's, advisor's or board member's relationship with Veloxis Pharmaceuticals should cease without this being attributable to the Warrant Holder's actions or omissions the Warrant Holder shall be entitled to exercise vested warrants in the exercise periods set forth in clause 4.1 above.

Veloxis Pharmaceuticals' board of directors is in the event of a listing of the company's shares on a stock exchange entitled at its discretion to change the exercise periods in order to coordinate these with applicable rules for insider trading.

5. Adjustment of warrants

- 5.1** Changes in Veloxis Pharmaceuticals' capital structure causing a change of the potential possibility of gain attached to a warrant shall require an adjustment of the warrants.
- 5.2** Adjustments shall be made so that the potential possibility of gain attached to a warrant in so far as possible shall remain the same before and after the occurrence of an incident causing the adjustment. The adjustment shall be carried out with the assistance of Veloxis Pharmaceuticals' external advisor. The adjustment may be effected either by increase or reduction of the number of shares that can be issued in accordance with a warrant and/or an increase or reduction of the exercise price.
- 5.3** Warrants shall not be adjusted as a result of Veloxis Pharmaceuticals' issue of employee shares, share options and/or warrants as part of employee share option schemes (including options to Directors, advisors and consultants) as well as future exercise of such options and/or warrants. Warrants shall, furthermore, not

be adjusted as a result of capital increases following the Warrant Holders' and others' exercise of warrants in Veloxis Pharmaceuticals.

5.4 Bonus shares

If it is decided to issue bonus shares in Veloxis Pharmaceuticals, warrants shall be adjusted as follows:

The exercise price for each warrant not yet exercised shall be multiplied by the factor:

$$\alpha = \frac{A}{(A+B)}$$

and the number of warrants not yet exercised shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = the nominal share capital before issue of bonus shares, and

B = the total nominal value of bonus shares.

If the adjusted exercise price and/or the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

5.5 Changes of capital at a price different from the market price:

If it is decided to increase or reduce the share capital in Veloxis Pharmaceuticals at a price below the market price (in relation to capital decreases also above the market price), warrants shall be adjusted as follows:

The exercise price for each non-exercised warrant shall be multiplied by the factor:

$$\alpha = \frac{(A \times K) + (B \times T)}{A + B}$$

$$(A+B) \times K$$

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = nominal share capital before the change in capital

B = nominal change in the share capital

K = market price of the share prior to change in the share capital, and

T = subscription price/reduction price in relation to the change in the share capital

If the adjusted exercise price and/or the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

5.6 Changes in the nominal value of each individual share:

If it is decided to change the nominal value of the shares, warrants shall be adjusted as follows:

The exercise price for each non-exercised warrant shall be multiplied by the factor:

$$\alpha = \frac{A}{B}$$

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = nominal value of each share after the change, and

B = nominal value of each share before the change

If the adjusted exercise price and/or the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

5.7 Payment of dividend:

If it is decided to pay dividends, the part of the dividends exceeding 10 per cent of the equity capital shall lead to adjustment of the exercise price according to the following formula:

$$E2 = E1 - \frac{U - U_{\max}}{A}$$

where:

E2 =	the adjusted exercise price
E1 =	the original exercise price
U =	dividends paid out
U _{max} =	10 per cent of the equity capital, and
A =	total number of shares in Veloxis Pharmaceuticals

If the adjusted exercise price does not amount to a whole number, it shall be rounded down to the nearest whole number.

The equity capital that shall form the basis of the adjustment above is the equity capital stipulated in the Annual Report to be adopted at the General Meeting where dividends shall be approved before allocation hereof has been made in the Annual Report.

5.8 Other changes in Veloxis Pharmaceuticals' capital position:

In the event of other changes in Veloxis Pharmaceuticals' capital position causing changes to the financial value of warrants, warrants shall (save as provided above) be adjusted in order to ensure that the changes do not influence the financial value of the warrants.

The calculation method to be applied to the adjustment shall be decided by an external advisor appointed by the Board of Directors.

It is emphasized that increase or reduction of Veloxis Pharmaceuticals' share

capital at market price does not lead to an adjustment of the subscription price or the number of shares to be subscribed.

5.9 Winding-up:

Should Veloxis Pharmaceuticals be liquidated, the vesting time for all non-exercised warrants shall be changed so that the Warrant Holder may exercise his/her warrants in an extraordinary exercise period immediately preceding the relevant transaction.

5.10 Merger and split:

If Veloxis Pharmaceuticals merges as the continuing company, warrants shall remain unaffected unless, in connection with the merger, the capital is increased at a price other than the market price and in that case warrants shall be adjusted in accordance with clause 5.5.

If Veloxis Pharmaceuticals merges as the terminating company or is split, the continuing company may choose one of the following possibilities:

- The Warrant Holder may exercise all non-exercised warrants (inclusive of warrants not yet vested) immediately before the merger/split, or
- New share instruments in the continuing company/companies of a corresponding financial pre-tax value shall replace the warrants. On split the continuing companies may decide in which company/companies the Warrant Holders shall receive the new share instruments.

5.11 Sale and exchange of shares:

If more than 50 per cent of the share capital in Veloxis Pharmaceuticals is sold or is part of a share swap, Veloxis Pharmaceuticals may choose one of the following possibilities:

- The warrant scheme shall continue unchanged.
- The Warrant Holder may exercise all non-exercised warrants that are not declared null and void (inclusive of warrants not yet vested) immediately before the sale/swap of shares. Furthermore, the Warrant Holder shall

undertake an obligation to sell the acquired shares on the same conditions as the other shareholders (when selling).

- Share instruments in the acquiring company of a corresponding pre-tax value shall replace the issued warrants.

5.12 Common provisions regarding 5.9-5.11:

If one of the transactions mentioned above is made, Veloxis Pharmaceuticals shall inform the Warrant Holder hereof by written notice. Upon receipt of the written notice, the Warrant Holder shall have 2 weeks – in cases where the Warrant Holder may extraordinarily exercise warrants, see 5.9-5.11 – to inform Veloxis Pharmaceuticals in writing whether he/she will make use of the offer. If the Warrant Holder has not answered Veloxis Pharmaceuticals in writing within the limit of 2 weeks or fails to pay within the fixed time, warrants shall become null and void without further notice or compensation.

The warrant holder's rights in connection with decisions made by any competent company body, see 5.9-5.11, shall be contingent on subsequent registration of the relevant decision with the Danish Commerce and Companies Agency provided that registration is a condition of its validity.

6. **Transfer, pledge and enforcement**

- 6.1 Issued warrants shall not be subject to charging orders, transfer of any kind, including in connection with division of property on divorce or legal separation, for ownership or as security without the consent of the Board of Directors. The Warrant Holder's warrants may, however, be transferred to the Warrant Holder's spouse/cohabitant and/or issue in the event of the Warrant Holder's death.

7. **Subscription for new shares by exercise of warrants**

- 7.1 Subscription for new shares by exercise of issued warrants must be made through submission by the Warrant Holder no later than the last day of the relevant exercise period at 16:00 to Veloxis Pharmaceuticals of an exercise notice drafted by Veloxis Pharmaceuticals. The exercise notice shall be filled in with all information. The company must have received the exercise price for the new shares, payable as a cash contribution, by the last day of the relevant exercise

period.

- 7.2** If the limitation period set forth in clause 7.1 expires as a result of Veloxis Pharmaceuticals not having received the filled-in exercise notice or the payment by 16:00 of the last day of the exercise period, the subscription shall be deemed invalid, and in this situation the Warrant Holder shall not be considered as having exercised his/her warrants for a possible subsequent exercise period.
- 7.3** Warrants not exercised by the Warrant Holder during the last exercise period, cf. above, shall become null and void without notice or compensation.
- 7.4** When the capital increase caused by exercise of warrants has been registered with the Danish Commerce and Companies Agency, the Warrant Holder shall receive proof of his shareholding in Veloxis Pharmaceuticals.

8. The rights of new shares

New shares subscribed for by exercise of issued warrants shall in every respect have the same rights as the present shares in Veloxis Pharmaceuticals in accordance with the Articles of Association for Veloxis Pharmaceuticals in force from time to time. For the time being, the following shall apply:

- the value of each share shall be DKK 1 or multiples hereof,
- the shares are bearer shares, but may be recorded on name in the Company's share register,
- the shares shall be negotiable instruments,
- the shares are issued through the VP Securities Services
- no shares shall carry special rights.
- no shareholder shall be obliged to have his shares redeemed in whole or in part by the Company or others.
- Veloxis Pharmaceuticals' shareholders shall hold no pre-emptive rights to subscribe for warrants;

- Veloxis Pharmaceuticals' shareholders shall hold no pre-emptive rights to subscribe for new shares issued on the basis of warrants;
- new shares issued as a result of exercise of warrants shall carry the right to dividend and other rights in Veloxis Pharmaceuticals from the time of registration of the capital increase with the Danish Commerce and Companies Agency.

8.1 Veloxis Pharmaceuticals shall pay all costs connected with granting of warrants and later exercise thereof. Veloxis Pharmaceuticals' costs in connection with issue of warrants and the related capital increase are estimated to DKK 45,000.

9. Other provisions

9.1 The value attached to the subscription right shall not be included in the Warrant Holder's salary, and any agreement made between the Warrant Holder and Veloxis Pharmaceuticals regarding pension or the like shall therefore not include the value of the Warrant Holder's warrants.

9.2 If a relevant authority should establish that the issuance and/or exercise of warrants shall be considered a salary allowance with the consequence that Veloxis Pharmaceuticals shall pay holiday allowance or the like to the Warrant Holder on the basis of the value of warrants, the subscription price shall be increased in order to compensate Veloxis Pharmaceuticals for the amounts that have been paid to the Warrant Holder in the form of holiday allowance or the like.

9.3 The fact that Veloxis Pharmaceuticals offers warrants to Warrant Holders shall not in any way obligate Veloxis Pharmaceuticals to maintain the employment.

10. Tax implications

10.1 The tax implications connected to the Warrant Holder's subscription for or exercise of warrants shall be of no concern to Veloxis Pharmaceuticals.

11. Governing Law and Venue

11.1 Acceptance of warrants, the terms and conditions thereto and the exercise, and terms and conditions for future subscription for shares in Veloxis

Pharmaceuticals shall be governed by Danish law.

- 11.2** Any disagreement between the Warrant Holder and Veloxis Pharmaceuticals in relation to the understanding or implementation of the warrant scheme shall be settled amicably by negotiation between the parties.
- 11.3** If the parties fail to reach consensus, any disputes shall be settled in accordance with “Rules for hearing of cases in the Copenhagen Arbitration”. The Copenhagen Arbitration shall appoint one arbitrator who shall settle the dispute according to Danish law.
- 11.4** In the event of discrepancies between the English and the Danish text the Danish text shall prevail.

Appendix 2 to the Articles of Association of Veloxis Pharmaceuticals A/S

Pursuant to authorisation in the articles of association the Board of Directors has resolved that the following terms and conditions shall apply to warrants which are granted to the management, other employees, consultants, advisors and board members according to the authorisation:

1. General

1.1 Veloxis Pharmaceuticals A/S (hereinafter "Veloxis Pharmaceuticals") has decided to introduce an incentive scheme for Veloxis Pharmaceuticals's management, other employees, consultants, advisors and board members (hereinafter collectively referred to as "Warrant Holders"). The scheme is based on issuance of options, also called warrants (hereinafter only referred to as "warrants"), which are not subject to payment.

1.2 A warrant is a right, but not an obligation, during fixed periods (exercise periods) to subscribe for new shares in Veloxis Pharmaceuticals at a price fixed in advance (the exercise price). Each warrant carries the right to subscribe for nominal DKK 1 share in Veloxis Pharmaceuticals against payment of an exercise price of DKK 36.3725.

1.3 Warrants will be offered to the management, other employees, consultants, advisors and board members in Veloxis Pharmaceuticals as decided by the general meeting and/or at the discretion of the Board of Directors after suggestion from the management. The number of warrants offered to each individual shall be based on an individual evaluation of the Warrant Holder's duties. It shall appear from the individual Warrant Holder's warrant certificate how many warrants have been granted to the Warrant Holder and what the exercise price for the warrant is.

2. Granting/subscription of warrants

2.1 Warrant Holders who wish to subscribe the offered warrants shall sign a Warrant Certificate with this Appendix G attached and a Shareholders Agreement regulating the relationship between the Warrant Holders and Veloxis Pharmaceuticals' other shareholders.

2.2 The subscription of warrants granted shall not be subject to payment from the Warrant Holders.

2.3 Veloxis Pharmaceuticals shall keep records of granted warrants and update the records on a continuous basis.

3. Vesting

3.1 The provisions of this clause 3 regarding vesting of warrants shall not apply to warrants, which are granted to such Warrant Holders (hereinafter referred to as "Salaried Employees") who are comprised by the Danish Act on use of purchase rights and subscription rights regarding shares etc. in employments (in Danish: lov om brug af køberet eller tegningsret til aktier m.v. i ansættelsesforhold) (the "Stock Option Act"). Warrants granted to Salaried Employees are deemed vested in full upon the time of grant; however, the exercise of the warrants is subject to restrictions laid down in clause 4.

3.2 The warrants shall be vested with 1/48 per month from 1 January 2006, however from 1 November 2005 for Warrant Holders who are board members, irrespective of the date of grant of the warrants covered by this Appendix 2.

3.3 If the stipulated fraction does not amount to a whole number of warrants, the number shall be rounded down to the nearest whole number.

3.4 Warrants shall only be vested to the extent the Warrant Holder is employed by Veloxis Pharmaceuticals, cf. however clause 3.5 to 3.7 below.

3.5 In the event that the Warrant Holder terminates the employment contract and in the event that Veloxis Pharmaceuticals terminates the employment contract (notwithstanding the reason), then the vesting of warrants shall cease from the time the Warrant Holder actually resigns from his position, notwithstanding whether the Warrant Holder still is entitled to salary from Veloxis Pharmaceuticals. In addition hereto the Warrant Holder's right, if any, to receive warrants granted after termination of the employment shall cease.

3.6 Should the Warrant Holder materially breach the terms of the employment, the vesting of warrants shall cease from the date when the Warrant Holder is dismissed due to the material breach.

- 3.7** Warrants issued to consultants, advisors and board members only vest to the extent that the consultant, advisor or board member acts on behalf of Veloxis Pharmaceuticals as a consultant, advisor or board member, meaning that the vesting of warrants shall cease from the time where (a) the consultant/adviser informs Veloxis Pharmaceuticals or receives information from Veloxis Pharmaceuticals that the party concerned shall no longer be a consultant/adviser to Veloxis Pharmaceuticals or such earlier date when it becomes apparent to the consultant/adviser that the relationship is terminated and where (b) the board member resigns from the board of directors.
- 3.8** If the Warrant Holder takes leave – other than maternity leave – and the leave exceeds 60 days, the dates when the warrants shall be vested shall be postponed by a period corresponding to the entire duration of the leave.
- 3.9** If, prior to listing of Veloxis Pharmaceuticals' shares on the stock exchange,
- (i) Veloxis Pharmaceuticals merges with another company, or the share capital of Veloxis Pharmaceuticals is part of a share swap, on conditions whereby the then current shareholders of Veloxis Pharmaceuticals do not control a majority of the shares of the company resulting from the merger or the share swap; or
 - (ii) more than 50 % of the share capital in Veloxis Pharmaceuticals is sold to a third party

(each of the above events hereinafter referred to as a "Change of Control Event"), then the Warrant Holder's warrants shall vest as set out below:

If the Change of Control Event is carried out at a total price for the shares in Veloxis Pharmaceuticals, which is

- $> 1,25 * (A + B) * C$

then 100 % of the Warrant Holder's warrants shall vest in full upon the occurrence of the Change of Control Event.

- $> (A + B) * C$ but $\leq 1,25 * (A + B) * C$

then 75 % of the Warrant Holder's warrants shall vest in full upon the

occurrence of the Change of Control Event.

Where:

A = the registered number of shares of nominally DKK 1 in Veloxis Pharmaceuticals before exercise of warrants and other convertible share instruments

B = the number of shares of nominally DKK 1 being the result of the full exercise of all issued but not yet vested and/or exercised warrants and other share instruments entitling the holder to subscribe for shares in Veloxis Pharmaceuticals

C = the highest value of (i) the price per share, which was used in connection with the issue of D-shares in Veloxis Pharmaceuticals in December 2005 or (ii) the highest subscription price per share, which is used in connection with a later issue of shares.

If the Change of Control Event occurs after listing of Veloxis Pharmaceuticals' shares on the stock exchange, and the Change of Control Event is carried out on the basis of a total value of Veloxis Pharmaceuticals, which is

- higher than 150 % of the valuation of Veloxis Pharmaceuticals, which was established in connection with the listing of the shares on the stock exchange based on the IPO-price per share (hereinafter referred to as the "IPO-Value"), then 100 % of the Warrant Holder's warrants shall vest in full upon the occurrence of the Change of Control Event.
- between 100 % and 150 % (inclusive) of the IPO-Value, then 75 % of the Warrant Holder's warrants, which have not yet vested, shall vest in full upon the occurrence of the Change of Control Event.

The provisions of this clause 3.9 shall only apply to Warrant Holders who, upon the grant of the warrants, are registered members of Veloxis Pharmaceuticals' management board and Board of Directors and to Veloxis Pharmaceuticals' Chief Scientific Officer, Vice President (Medical Affairs) and Vice President (Commercial Operations).

4. Exercise

- 4.1** When a warrant has been vested, it may be exercised during the exercise periods. The exercise periods run for 21 days from and including respectively the day after the Company's publication of i) the annual report notification – or if such notification is not published – the annual report and ii) the interim report (6 months report). The first exercise period shall run from the publication of the annual report notification for 2007 and the last exercise period shall run for 21 days following the date of the publication of the interim report for the first 6 months of 2012. With respect to warrants granted 14 May 2008 or later, the exercise periods shall (in addition to i) and ii) above) run for 21 days from and including respectively the day after the Company's publication of its interim financial report for the first 3 months and the Company's publication of its interim financial report for the first 9 months of the year.
- 4.2** If the last day of an exercise period is Saturday or Sunday, the exercise period shall also include the first weekday following the stipulated period.
- 4.3** When warrants have been vested, the Warrant Holder shall be free to choose, which exercise period to apply for the vested warrants, cf. however, clause 4.5 (concerning Warrant Holders who are not Salaried Employees) and clause 4.6 (concerning Warrant Holders who are Salaried Employees) below. It is, however, a condition for exercise that the Warrant Holder in a given exercise period exercises warrants, which give a right to subscribe minimum nominal DKK 1,000 shares.
- 4.4** Warrants not exercised by the Warrant Holder during the last exercise period, cf. above, shall become null and void without further notice or compensation or payment of any kind to the Warrant Holder.
- 4.5** This clause 4.5 only applies to Warrant Holders who are not Salaried Employees.

The Warrant Holder's exercise of warrants is in principle conditional upon the Warrant Holder being employed in Veloxis Pharmaceuticals at the time when warrants are exercised. In case of termination of the employment the following shall apply:

- a. In the event that the Warrant Holder is terminating the employment contract and the termination is not a result of a material breach of the employment by Veloxis Pharmaceuticals, and in the event that Veloxis Pharmaceuticals

terminates the employment contract and the Warrant Holder having given Veloxis Pharmaceuticals good reason to do so,, the Warrant Holder is only entitled to exercise the warrants vested at the time of termination. Exercise shall take place during the first coming exercise period after termination of the employment, however the Warrant Holder shall always have minimum 3 months from the date of termination to decide if warrants shall be exercised. To the extent that the first coming exercise period commences within 3 months from the date of actual termination the Warrant Holder shall be entitled to exercise the warrants in the exercise period following the first coming exercise period. All vested warrants not exercised by the Warrant Holder according to this clause shall become null and void without further notice or compensation or payment of any kind.

- b. In the event that the Warrant Holder terminates the employment contract and the termination is a result of a material breach of the employment by Veloxis Pharmaceuticals, or in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder have not given Veloxis Pharmaceuticals good reason to do so, the Warrant Holder is entitled to exercise the warrants vested as if the Warrant Holder were still employed with Veloxis Pharmaceuticals. Exercise shall take place in accordance with the general terms and conditions regarding exercise of warrants stipulated in clause 4.1 – 4.5. This provision shall apply if the employment contract is terminated due to your retirement.
- c. If the employment is terminated as a consequence of summary dismissal of the Warrant Holder on grounds of material breach, all warrants not exercised at that time shall become null and void without notice or compensation. If the material breach is committed prior to the dismissal the vesting and the right to exercise warrants shall be deemed to have ceased at the time of the material breach. Veloxis Pharmaceuticals is in this case entitled to decide that the Warrant Holder, after demand from Veloxis Pharmaceuticals, shall be obligated to sell to Veloxis Pharmaceuticals shares which have been subscribed through exercise of warrants, after the date of the material breach. The shares shall be sold at a price corresponding to the subscription price paid by the Warrant Holder.
- d. If the employment is terminated due to the death of the Warrant Holder all warrants not exercised by the Warrant Holder shall become null and void. However, the Veloxis Pharmaceuticals Board of Directors may grant an

exemption from this provision to enable the estate of the Warrant Holder to exercise the issued warrants whether they have been vested at the time of the death or not on the condition that exercise be effected during the first exercise period commencing after the death.

4.6 This clause 4.6 only applies to Warrant Holders who are Salaried Employees.

In case the Salaried Employee resigns from his/her position in the Company due to his/her own termination or due to the Company's termination of the Salaried Employee's employment with the Company, the Salaried Employee's position will be as laid down in sections 4 and 5 of the Stock Option Act.

This implies the following:

- a. In the event that the Salaried Employee resigns from his/her position in the Company due to his/her own termination of the employment, the Salaried Employee's right to exercise warrants that have been granted to him/her will lapse. Warrants, where the exercise period has commenced prior to the termination of the employment, may, however, be exercised in the period until termination of the employment.
- b. In the event that the Salaried Employee resigns from his/her position in the Company due to the Company's termination of the employment, which is not due to breach on the part of the Salaried Employee, the Salaried Employee will remain entitled to all warrants that have been granted to him/her, irrespective of whether the exercise period has commenced prior to the termination of his/her employment. The same applies in those instances mentioned in the Stock Option Act, section 4(2) (resignation due to age/retirement) and section 4(3) (resignation due to material breach on the part of the Company).
- c. In the event that the Salaried Employee resigns from his/her position in the Company due to the Company's termination of his/her employment, which is due to breach on the part of the Salaried Employee, or the Salaried Employee is justly dismissed by the Company, the Salaried Employee's right to all warrants that have been granted to him/her will lapse upon termination of the employment. Warrants, where the exercise period has commenced prior to the termination of the Salaried Employee's employment, may however be exercised in the period until the termination of the employment.

- 4.7** If the Warrant Holder is a consultant, advisor or board member the exercise of warrants is in principle conditional upon the Warrant Holder being connected to Veloxis Pharmaceuticals in this capacity at the time when warrants are exercised. In case that the consultant's/advisor's/board member's relationship with Veloxis Pharmaceuticals should cease (cf. clause 3.7), the Warrant Holder is only entitled to exercise the warrants vested at the time of termination. Exercise shall take place during the first coming exercise period after termination of the relationship, however the consultant/advisor/board member shall always have minimum 3 months from the date of termination to decide if warrants shall be exercised. To the extent that the first coming exercise period commences within 3 months from the date of actual termination the consultant/advisor/board member shall be entitled to exercise the warrants in the exercise period following the first coming exercise period. All vested warrants not exercised by the consultant/advisor/board member according to this clause shall become null and void without further notice or compensation or payment of any kind.

In case that the consultant's, advisor's or board member's relationship with Veloxis Pharmaceuticals should cease without the consultant, advisor or board member having given good reason for this, the consultant/advisor/board member is, however, entitled to exercise the warrants as if the party concerned was still a consultant, advisor/board member. Exercise shall take place in accordance with the general terms and conditions regarding exercise of warrants stipulated in clauses 4.1 – 4.4 and 4.7.

5. Adjustment of warrants

- 5.1** Changes in Veloxis Pharmaceuticals' capital structure causing a change of the potential possibility of gain attached to a warrant shall require an adjustment of the warrants.
- 5.2** Adjustments shall be made so that the potential possibility of gain attached to a warrant in so far as possible shall remain the same before and after the occurrence of an incident causing the adjustment. The adjustment shall be carried out with the assistance of Veloxis Pharmaceuticals' external advisor. The adjustment may be effected either by increase or reduction of the number of shares that can be issued in accordance with a warrant and/or an increase or reduction of the exercise price.

5.3 Warrants shall not be adjusted as a result of Veloxis Pharmaceuticals' issue of employee shares, share options and/or warrants as part of employee share option schemes (including options to Directors, advisors and consultants) as well as future exercise of such options and/or warrants. Warrants shall, furthermore, not be adjusted as a result of capital increases following the Warrant Holders' and others' exercise of warrants in Veloxis Pharmaceuticals.

5.4 Bonus shares

If it is decided to issue bonus shares in Veloxis Pharmaceuticals, warrants shall be adjusted as follows:

The exercise price for each warrant not yet exercised shall be multiplied by the factor:

$$\alpha = \frac{A}{(A+B)}$$

and the number of warrants not yet exercised shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = the nominal share capital before issue of bonus shares, and

B = the total nominal value of bonus shares.

If the adjusted exercise price and/or the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

5.5 Changes of capital at a price different from the market price:

If it is decided to increase or reduce the share capital in Veloxis Pharmaceuticals at a price below the market price (in relation to capital decreases also above the market price), warrants shall be adjusted as follows:

The exercise price for each non-exercised warrant shall be multiplied by the factor:

$$\alpha = \frac{(A \times K) + (B \times T)}{(A+B) \times K}$$

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = nominal share capital before the change in capital

B = nominal change in the share capital

K = market price of the share prior to change in the share capital, and

T = subscription price/reduction price in relation to the change in the share capital

If the adjusted exercise price and/or the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

5.6 Changes in the nominal value of each individual share:

If it is decided to change the nominal value of the shares, warrants shall be adjusted as follows:

The exercise price for each non-exercised warrant shall be multiplied by the factor:

$$\alpha = \frac{A}{B}$$

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = nominal value of each share after the change, and

B = nominal value of each share before the change

If the adjusted exercise price and/or the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

5.7 Payment of dividend:

If it is decided to pay dividends, the part of the dividends exceeding 10 per cent of the equity capital shall lead to adjustment of the exercise price according to the following formula:

$$E2 = E1 - \frac{U - U_{\max}}{A}$$

where:

E2 =	the adjusted exercise price
E1 =	the original exercise price
U =	dividends paid out
U _{max} =	10 per cent of the equity capital, and
A =	total number of shares in Veloxis Pharmaceuticals

If the adjusted exercise price does not amount to a whole number, it shall be rounded down to the nearest whole number.

The equity capital that shall form the basis of the adjustment above is the equity capital stipulated in the Annual Report to be adopted at the General Meeting where dividends shall be approved before allocation hereof has been made in the Annual Report.

5.8 Other changes in Veloxis Pharmaceuticals' capital position

In the event of other changes in Veloxis Pharmaceuticals' capital position causing changes to the financial value of warrants, warrants shall (save as provided above) be adjusted in order to ensure that the changes do not influence the financial value of the warrants.

The calculation method to be applied to the adjustment shall be decided by an external advisor appointed by the Board of Directors.

It is emphasized that increase or reduction of Veloxis Pharmaceuticals' share capital at market price does not lead to an adjustment of the subscription price or the number of shares to be subscribed.

5.9 Winding-up

Should Veloxis Pharmaceuticals be liquidated, the vesting time for all non-exercised warrants shall be changed so that the Warrant Holder may exercise his/her warrants in an extraordinary exercise period immediately preceding the relevant transaction.

5.10 Merger and split

If Veloxis Pharmaceuticals merges as the continuing company, warrants shall remain unaffected unless, in connection with the merger, the capital is increased at a price other than the market price and in that case warrants shall be adjusted in accordance with clause 5.5.

If Veloxis Pharmaceuticals merges as the terminating company or is split, the continuing company may choose one of the following possibilities:

- a. The Warrant Holder is give the opportunity to exercise all non-exercised warrants (inclusive of all warrants not yet vested; clause 3.9 does not apply) immediately before the merger/split, or
- b. New share instruments in the continuing company/companies of a corresponding financial pre-tax value shall replace the warrants (including any modified vesting pursuant to clause 3.9 with respect to Warrant Holders who are not Salaried Employees). On split the continuing companies may decide in which company/companies the Warrant Holders shall receive the new share instruments.

In the event that continuing company has chosen option (b) and the continuing company terminates the employment contract of a Warrant Holder, who is not a Salaried Employee, within 6 months from the final completion of the merger/split and the Warrant Holder having not given the company good reason to do so, then the Warrant Holder may exercise all non-exercised warrants (including warrants not yet vested) during the first coming exercise period after termination of the employment, however the Warrant Holder shall always have minimum 3 months

from the date of the termination to decide if warrants shall be exercised. To the extent that the first coming exercise period commences within 3 months from the date of actual termination the Warrant Holder shall be entitled to exercise the warrants in the exercise period following the first coming exercise period. All warrants not exercised by the Warrant Holder according to this clause shall become null and void without further notice or compensation or payment of any kind.

5.11 Sale and exchange of shares

If more than 50 per cent of the share capital in Veloxis Pharmaceuticals is sold or is part of a share swap, Veloxis Pharmaceuticals may choose one of the following possibilities:

- a. The warrant scheme shall continue unchanged (including any modified vesting pursuant to clause 3.9 with respect to Warrant Holders who are not Salaried Employees).
- b. The Warrant Holder is given the opportunity to exercise all non-exercised warrants that are not declared null and void (inclusive of all warrants not yet vested; clause 3.9 does not apply) immediately before the sale/swap of shares with the effect that the Warrant Holder at the same time becomes obliged to sell the shares acquired by the Warrant Holder on the same conditions as the other shareholders (when selling).
- c. Share instruments in the acquiring company of a corresponding pre-tax value shall replace the issued warrants (including any modified vesting pursuant to clause 3.9 with respect to Warrant Holders who are not Salaried Employees).

In the event that Veloxis Pharmaceuticals has chosen option (a) or (c) and Veloxis Pharmaceuticals terminates employment contract of a Warrant Holder, who is not a Salaried Employee, within 6 months from the completion of the sale/swap of shares and the Warrant Holder having not given Veloxis Pharmaceuticals good reason to do so, then the provisions of clause 5.10, last paragraph shall apply.

5.12 Common provisions regarding 5.9-5.11:

If one of the transactions mentioned above is made, Veloxis Pharmaceuticals

shall inform the Warrant Holder hereof by written notice. Upon receipt of the written notice, the Warrant Holder shall have 2 weeks – in cases where the Warrant Holder may extraordinarily exercise warrants, see 5.9-5.11 – to inform Veloxis Pharmaceuticals in writing whether he/she will make use of the offer. If the Warrant Holder has not answered Veloxis Pharmaceuticals in writing within the limit of 2 weeks or fails to pay within the fixed time, warrants shall become null and void without further notice or compensation.

The warrant holder's rights in connection with decisions made by any competent company body, see 5.9-5.11, shall be contingent on subsequent registration of the relevant decision with the Danish Commerce and Companies Agency provided that registration is a condition of its validity.

6. Transfer, pledge and enforcement

6.1 Issued warrants shall not be subject to charging orders, transfer of any kind, including in connection with division of property on divorce or legal separation, for ownership or as security without the consent of the Board of Directors. The Warrant Holder's warrants may, however, be transferred to the Warrant Holder's spouse/cohabitant and/or issue in the event of the Warrant Holder's death. The Warrant Holder is obliged to ensure (e.g. by a marriage settlement duly registered with the court of Århus) that issued warrants are the Warrant Holder's separate estate (in Danish: *særeje*) in the event of separation or divorce.

7. Subscription for new shares by exercise of warrants

7.1 Subscription for new shares by exercise of issued warrants must be made through submission by the Warrant Holder no later than the last day of the relevant exercise period at 16:00 to Veloxis Pharmaceuticals' board of directors represented by the management of an exercise notice drafted by Veloxis Pharmaceuticals. The exercise notice shall be filled in with all information. The company must have received the exercise price for the new shares, payable as a cash contribution, by the last day of the relevant exercise period.

7.2 If the limitation period set forth in clause 7.1 expires as a result of Veloxis Pharmaceuticals not having received the filled-in exercise notice or the payment by 16:00 of the last day of the exercise period, the subscription shall be deemed invalid, and in this situation the Warrant Holder shall not be considered as having exercised his/her warrants for a possible subsequent exercise period.

7.3 Warrants not exercised by the Warrant Holder during the last exercise period, cf. above, shall become null and void without notice or compensation.

7.4 When the capital increase caused by exercise of warrants has been registered with the Danish Commerce and Companies Agency, the Warrant Holder shall receive proof of his shareholding in Veloxis Pharmaceuticals.

8. The rights of new shares

8.1 New shares subscribed for by exercise of issued warrants shall in every respect have the same rights as the present shares in Veloxis Pharmaceuticals in accordance with the Articles of Association for Veloxis Pharmaceuticals in force from time to time. For the time being, the following shall apply:

- the value of each share shall be DKK 1 or multiples hereof,
- the shares are bearer shares, but may be recorded on name in the Company's share register,
- the shares shall be negotiable instruments,
- the shares are issued through the VP Securities Services
- no shares shall carry special rights.
- no shareholder shall be obliged to have his shares redeemed in whole or in part by the Company or others.
- Veloxis Pharmaceuticals' shareholders shall hold no pre-emptive rights to subscribe for warrants;
- Veloxis Pharmaceuticals' shareholders shall hold no pre-emptive rights to subscribe for new shares issued on the basis of warrants;
- new shares issued as a result of exercise of warrants shall carry the right to dividend and other rights in Veloxis Pharmaceuticals from the time of registration of the capital increase with the Danish Commerce and Companies Agency.

8.2 Veloxis Pharmaceuticals shall pay all costs connected with granting of warrants and later exercise thereof. Veloxis Pharmaceuticals' costs in connection with issue of warrants and the related capital increase are estimated to DKK 25,000.

9. Other provisions

9.1 The value attached to the subscription right shall not be included in the Warrant Holder's salary and is not included in the basis for calculation of holiday allowance and holiday supplement (in Danish: feriegodtgørelse og ferietillæg), and any agreement made between the Warrant Holder and Veloxis Pharmaceuticals regarding pension or the like shall therefore not include the value of the Warrant Holder's warrants.

9.2 If a relevant authority should establish that the issuance and/or exercise of warrants shall be considered a salary allowance with the consequence that Veloxis Pharmaceuticals shall pay holiday allowance or the like to the Warrant Holder on the basis of the value of warrants, the subscription price shall be increased in order to compensate Veloxis Pharmaceuticals for the amounts that have been paid to the Warrant Holder in the form of holiday allowance or the like.

9.3 The fact that Veloxis Pharmaceuticals offers warrants to Warrant Holders shall not in any way obligate Veloxis Pharmaceuticals to maintain the employment.

10. Governing Law and Venue

10.1 Acceptance of warrants, the terms and conditions thereto and the exercise, and terms and conditions for future subscription for shares in Veloxis Pharmaceuticals shall be governed by Danish law.

10.2 Any disagreement between the Warrant Holder and Veloxis Pharmaceuticals in relation to the understanding or implementation of the warrant scheme shall be settled amicably by negotiation between the parties.

10.3 If the parties fail to reach consensus, any disputes shall be settled in accordance with "Rules for hearing of cases in the Copenhagen Arbitration". The Copenhagen Arbitration shall appoint one arbitrator who shall settle the dispute according to Danish law.

10.4 In the event of discrepancies between the English and the Danish text the Danish text shall prevail.

01.12.2006

Appendix 3 to the Articles of Association of Veloxis Pharmaceuticals A/S

Pursuant to authorization granted by the shareholders of Veloxis Pharmaceuticals A/S (hereinafter “Veloxis Pharmaceuticals” or the “Company”) the Board of Directors of Veloxis Pharmaceuticals has resolved that the following terms and conditions shall apply to warrants that are issued and granted to the Company’s management, other employees, consultants, advisors and board members as from 15 December 2010. The terms and conditions applicable to previous issues and grants of warrants, cf. articles 5 and 6 in the Articles of Association of Veloxis Pharmaceuticals A/S, are set out in Appendix 1 or 2 to the Articles of Association of Veloxis Pharmaceuticals A/S.

1. General

- 1.1** Veloxis Pharmaceuticals has decided to introduce an incentive scheme for Veloxis Pharmaceuticals' management, other employees, consultants, advisors and board members (hereinafter collectively referred to as “Warrant Holders”). The scheme is based on issuance of options, also called warrants (hereinafter only referred to as “warrants”), which are not subject to payment.
- 1.2** A warrant is a right, but not an obligation, during fixed periods (exercise periods) to subscribe for new shares in Veloxis Pharmaceuticals at a price fixed in advance (the exercise price). The exercise price, which shall correspond to the market price at the date of issuance, shall be determined by the board of directors in connection with the grant of warrants. Each warrant carries the right to subscribe for nominal DKK 1 share in Veloxis Pharmaceuticals at the subscription price determined by the board of directors at the date of issuance.
- 1.3** Warrants will be offered to Veloxis Pharmaceuticals' management, other employees, consultants, advisors and board members in Veloxis Pharmaceuticals at the discretion of the Board of Directors after suggestion from the management. The number of warrants, if any, offered to each individual shall be based on an individual evaluation of the Warrant Holder’s duties. It shall appear from the individual Warrant Holder’s warrant certificate how many warrants have been granted to the Warrant Holder and what the exercise price for the warrant is.

2. Granting/subscription of warrants

- 2.1** Warrant Holders who wish to subscribe the offered warrants shall sign a Warrant Certificate with this Appendix attached.
- 2.2** The granting of warrants shall not be subject to payment from the Warrant Holders.
- 2.3** Veloxis Pharmaceuticals shall keep records of granted warrants and update the records at suitable intervals.

3. Vesting

- 3.1** The warrants shall be vested with $1/36$ per month from the date of grant of the warrants. The board may have determined a different vesting period in its decision to issue warrants.
- 3.2** If the stipulated fraction does not amount to a whole number of warrants, the number shall be rounded down to the nearest whole number.
- 3.3** Warrants shall only be vested to the extent the Warrant Holder is employed by Veloxis Pharmaceuticals, cf. however clause 3.4 to 3.6 below.
- 3.4** In the event that the Warrant Holder terminates the employment contract and the termination is not a result of breach of the employment terms by Veloxis Pharmaceuticals, and in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder has given Veloxis Pharmaceuticals good reason to do so, then the vesting of warrants shall cease from the time the employment is terminated, meaning from the first day when the Warrant Holder is no longer entitled to salary from Veloxis Pharmaceuticals, notwithstanding that the Warrant Holder has actually ceased to perform his/her duties at an earlier date. In addition hereto the Warrant Holder's right, if any, to receive warrants granted after termination of the employment shall cease.
- 3.5** In the event that the Warrant Holder terminates the employment contract and the termination is a result of breach of the employment terms by Veloxis Pharmaceuticals, or in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder having not given Veloxis

Pharmaceuticals good reason to do so, then warrants shall continue to vest as if the Warrant Holder was still employed by Veloxis Pharmaceuticals.

- 3.6** Regardless of clauses 3.4 and 3.5 the following shall apply to grants of warrants made to Warrant Holders who are employees and receive the warrants as part of an employment relationship but who are not comprised by the (Danish) law no. 309 of 5 May 2004 (the Stock Option Act): Regardless of the reason for the termination of the employment relationship the vesting of warrants shall cease from the time the employment is terminated, meaning from the first day when the Warrant Holder is no longer entitled to salary from Veloxis Pharmaceuticals or its subsidiary, notwithstanding that the Warrant Holder has actually ceased to perform his/her duties at an earlier date. In addition hereto the Warrant Holder's right, if any, to receive warrants granted after termination of the employment shall cease. It is noted that employees whose employment relationship is not governed by Danish law cannot by reference to clause 11.1 below be able to claim any rights pursuant to provisions of Danish mandatory legislation and that no such provisions are included in this warrant scheme. The aforesaid cannot be used as basis for *e contrario* interpretation with respect to warrant grants made prior to 15 December 2010.
- 3.7** Should the Warrant Holder materially breach the terms of the employment, the vesting of warrants shall cease from the date when the Warrant Holder is dismissed due to the material breach.
- 3.8** Warrants issued to consultants, advisors and board members only vest to the extent that the consultant, advisor or board member acts on behalf of Veloxis Pharmaceuticals as a consultant, advisor or board member.
- 3.9** If the Warrant Holder takes leave – other than maternity leave – and the leave exceeds 60 days, the dates when the warrants shall be vested shall be postponed by a period corresponding to the duration of the leave.
- 4. Exercise**
- 4.1** When a warrant has been vested, it may be exercised during the exercise periods. The exercise periods run for 21 days from and including, respectively, the day after the Company's publication of i) the annual report notification – or if such notification is not published – the annual report, ii) the interim report (6 months' report), and iii) the interim financial report for the first 3 months and the

Company's publication of its interim financial report for the first 9 months of the year.

- 4.2** If the last day of an exercise period is Saturday or Sunday, the exercise period shall also include the first weekday following the stipulated period.
- 4.3** When warrants have been vested, the Warrant Holder shall be free to choose, which exercise period to apply for the vested warrants, cf. however, clause 4.5 below regarding material breach. It is, however, a condition for exercise that the Warrant Holder in a given exercise period exercises warrants, which give a right to subscribe minimum nominal DKK 1,000 shares.
- 4.4** Warrants not exercised by the Warrant Holder during the last exercise period shall become null and void without further notice or compensation or payment of any kind to the Warrant Holder.
- 4.5** The Warrant Holder's exercise of warrants is in principle conditional upon the Warrant Holder being employed in Veloxis Pharmaceuticals at the time when warrants are exercised. In case of termination of the employment the following shall apply:
- b. In the event that the Warrant Holder is terminating the employment contract and the termination is not a result of breach of the employment by Veloxis Pharmaceuticals, and in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder having given Veloxis Pharmaceuticals good reason to do so, the Warrant Holder is only entitled to exercise the warrants vested at the time of termination. Exercise shall take place during the first coming exercise period after termination of the employment, however the Warrant Holder shall always have minimum 3 months from the date of termination to decide if warrants shall be exercised. To the extent that the first coming exercise period commences within 3 months from the date of actual termination the Warrant Holder shall be entitled to exercise the warrants in the exercise period following the first coming exercise period. All vested warrants not exercised by the Warrant Holder according to this clause shall become null and void without further notice or compensation or payment of any kind.

Clause 4.5(a) above applies in all instances where the employment of the Warrant Holder with Veloxis Pharmaceuticals ceases including also as a

result of illness, death, disability, retirement or death, cf. however, clause 4.5(e) in fine, below.

- f. In the event that the Warrant Holder terminates the employment contract and the termination is a result of breach of the employment by Veloxis Pharmaceuticals, or in the event that Veloxis Pharmaceuticals terminates the employment contract and the Warrant Holder have not given Veloxis Pharmaceuticals good reason to do so, the Warrant Holder is entitled to exercise the warrants as if the Warrant Holder were still employed with Veloxis Pharmaceuticals. Exercise shall take place in accordance with the general terms and conditions regarding exercise of warrants stipulated in clause 4.1 – 4.5. This provision shall also apply if the employment contract is terminated due to the Warrant Holder's retirement.
- g. Regardless of clause 4.5(b) the following shall apply to grants of warrants made to Warrant Holders who are employees and receive the warrants as part of a employment relationship but who are not comprised by the (Danish) law no. 309 of 5 May 2004 (the Stock Option Act): the Warrant Holder is only entitled to exercise the warrants vested at the time of termination. Exercise shall take place during the first coming exercise period after termination of the employment, however the Warrant Holder shall always have minimum 3 months from the date of termination to decide if warrants shall be exercised. To the extent that the first coming exercise period commences within 3 months from the date of actual termination the Warrant Holder shall be entitled to exercise the warrants in the exercise period following the first coming exercise period. All vested warrants not exercised by the Warrant Holder according to this clause shall become null and void without further notice or compensation or payment of any kind. It is noted that employees whose employment relationship is not governed by Danish law cannot by reference to clause 11.1 below be able to claim any rights pursuant to provisions of Danish mandatory legislation and that no such provisions are included in this warrant scheme. The aforesaid cannot be used as basis for *e contrario* interpretation with respect to warrant grants made prior to 15. December 2010.
- h. If the employment is terminated as a consequence of summary dismissal of the Warrant Holder on grounds of material breach, all warrants not exercised at that time shall become null and void without notice or compensation. If the material breach is committed prior to the dismissal the vesting and the right to

exercise warrants shall be deemed to have ceased at the time of the material breach. The Warrant Holder shall in this case, after demand from Veloxis Pharmaceuticals, be obligated to sell to Veloxis Pharmaceuticals shares which have been subscribed through exercise of warrants, after the date of the material breach. The shares shall be sold at a price corresponding to the subscription price paid by the Warrant Holder.

- i. If the employment is terminated due to the death of the Warrant Holder all warrants not exercised by the Warrant Holder shall become null and void. However, the Board of Directors of Veloxis Pharmaceuticals may decide to enable the estate of the Warrant Holder to exercise the issued warrants whether they have been vested at the time of the death or not on the condition that exercise be effected during the first exercise period commencing after the death.

4.6 If the Warrant Holder is a consultant, advisor or board member the exercise of warrants is in principle conditional upon the Warrant Holder being connected to Veloxis Pharmaceuticals in this capacity at the time when warrants are exercised. In case that the consultant's, advisor's or board member's relationship with Veloxis Pharmaceuticals should cease without this being attributable to the Warrant Holder's actions or omissions the Warrant Holder shall be entitled to exercise vested warrants in the exercise periods set forth in clause 4.1 above.

5. Adjustment of warrants

5.1 Irrespective of whether changes are made in Veloxis Pharmaceuticals' capital structure, including changes affecting the potential possibility of gain attached to a warrant, the Warrant Holder's warrants will *not* be adjusted. However, this does not apply if the nominal value of each share is changed in case of a share split or a reverse share split, see clause 5.3 below.

5.2 Warrants shall not be adjusted as a result of Veloxis Pharmaceuticals' issue of employee shares, share options and/or warrants as part of employee share option schemes (including options to Directors, advisors and consultants), as well as future exercise of such options and/or warrants, or as a result of capital increases following the Warrant Holders' and others' exercise of warrants in Veloxis Pharmaceuticals.

5.3 Changes in the nominal value of each individual share:

If it is decided to change the nominal value of the shares, either due to a share split or a reverse share split, warrants shall be adjusted as follows:

The exercise price for each non-exercised warrant shall be multiplied by the factor:

$$\alpha = \frac{A}{B}$$

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = nominal value of each share after the change, and

B = nominal value of each share before the change

If the adjusted exercise price and/or the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

5.4 Winding-up:

Should Veloxis Pharmaceuticals be liquidated, the vesting time for all non-exercised warrants shall be changed so that the Warrant Holder may exercise his/her warrants in an extraordinary exercise period immediately preceding the relevant transaction.

5.5 Merger and split:

If Veloxis Pharmaceuticals merges as the continuing company, warrants shall remain unaffected unless, in connection with the merger, the capital is increased at a price other than the market price and in that case warrants shall be adjusted as follows:

The exercise price for each non-exercised warrant shall be multiplied by the factor:

$$\alpha = \frac{(A \times K) + (B \times T)}{(A+B) \times K}$$

and the number of non-exercised warrants shall be multiplied by the factor:

$$\frac{1}{\alpha}$$

where:

A = nominal share capital before the change in capital

B = nominal change in the share capital

K = market price of the share prior to the change in the share capital, and

T = subscription price/reduction price in relation to the change in the share capital

If the adjusted exercise price and/or the adjusted number of shares does not amount to whole numbers, each number shall be rounded down to the nearest whole number.

If Veloxis Pharmaceuticals merges as the terminating company or is split, the continuing company may choose one of the following possibilities:

- The Warrant Holder may exercise all non-exercised warrants (inclusive of warrants not yet vested) immediately before the merger/split, or
- New share instruments in the continuing company/companies of a corresponding financial pre-tax value shall replace the warrants. On split the continuing companies may decide in which company/companies the Warrant Holders shall receive the new share instruments.

5.6 Sale and exchange of shares:

If more than 50 per cent of the share capital in Veloxis Pharmaceuticals is sold or is part of a share swap, Veloxis Pharmaceuticals may choose one of the following possibilities:

- The warrant scheme shall continue unchanged.
- The Warrant Holder may exercise all non-exercised warrants that are not declared null and void (inclusive of warrants not yet vested) immediately before the sale/swap of shares. Furthermore, the Warrant Holder shall undertake an obligation to sell the acquired shares on the same conditions as the other shareholders (when selling).
- Share instruments in the acquiring company of a corresponding pre-tax value shall replace the issued warrants.

5.7 Common provisions regarding 5.4-5.6:

If one of the transactions mentioned above is made, Veloxis Pharmaceuticals shall inform the Warrant Holder hereof by written notice. Upon receipt of the written notice, the Warrant Holder shall have 2 weeks – in cases where the Warrant Holder may extraordinarily exercise warrants, see 5.4-5.6 – to inform Veloxis Pharmaceuticals in writing whether he/she will make use of the offer. If the Warrant Holder has not answered Veloxis Pharmaceuticals in writing within the limit of 2 weeks or fails to pay within the fixed time, warrants shall become null and void without further notice or compensation.

The warrant holder's rights in connection with decisions made by any competent company body, see 5.4-5.6, shall be contingent on subsequent registration of the relevant decision with the Danish Commerce and Companies Agency provided that registration is a condition of its validity.

6. Transfer, pledge and enforcement

- 6.1** Issued warrants shall not be subject to charging orders or transfer of any kind, including in connection with division of property on divorce or legal separation, for ownership or as security without the consent of the Board of Directors. The Warrant Holder's warrants may, however, be transferred to the Warrant Holder's spouse/cohabitant and/or issue in the event of the Warrant Holder's death.

7. Subscription for new shares by exercise of warrants

- 7.1** Subscription for new shares by exercise of issued warrants must be made through

submission by the Warrant Holder no later than the last day of the relevant exercise period at 16:00 to Veloxis Pharmaceuticals of an exercise notice drafted by Veloxis Pharmaceuticals. The exercise notice shall be filled in with all information. The Company must have received the exercise price for the new shares, payable as a cash contribution, by the last day of the relevant exercise period.

- 7.2** If the limitation period set forth in clause 7.1 expires as a result of Veloxis Pharmaceuticals not having received the filled-in exercise notice or the payment by 16:00 of the last day of the exercise period, the subscription shall be deemed invalid, and in this situation the Warrant Holder shall not be considered as having exercised his/her warrants for a possible subsequent exercise period.
- 7.3** Warrants not exercised by the Warrant Holder during the last exercise period, cf. above, shall become null and void without notice or compensation.
- 7.4** When the capital increase caused by exercise of warrants has been registered with the Danish Commerce and Companies Agency, the Warrant Holder shall receive proof of his shareholding in Veloxis Pharmaceuticals.

8. The rights of new shares

New shares subscribed for by exercise of issued warrants shall in every respect have the same rights as the present shares in Veloxis Pharmaceuticals in accordance with the Articles of Association for Veloxis Pharmaceuticals in force from time to time. For the time being, the following shall apply:

- the value of each share shall be DKK 1 or multiples hereof,
- the shares are bearer shares, but may be recorded on name in the Company's share register,
- the shares shall be negotiable instruments,
- the shares are issued through the VP Securities Services
- no shares shall carry special rights.
- no shareholder shall be obliged to have his shares redeemed in whole or in part by the Company or others.

- Veloxis Pharmaceuticals' shareholders shall hold no pre-emptive rights to subscribe for warrants;
- Veloxis Pharmaceuticals' shareholders shall hold no pre-emptive rights to subscribe for new shares issued on the basis of warrants;
- new shares issued as a result of exercise of warrants shall carry the right to dividend and other rights in Veloxis Pharmaceuticals from the time of registration of the capital increase with the Danish Commerce and Companies Agency.

8.1 Veloxis Pharmaceuticals shall pay all costs connected with granting of warrants and later exercise thereof. Veloxis Pharmaceuticals' costs in connection with issue of warrants and the related capital increase are estimated to DKK 45,000.

9. Other provisions

9.1 The value attached to the subscription right shall not be included in the Warrant Holder's salary, and any agreement made between the Warrant Holder and Veloxis Pharmaceuticals regarding pension or the like shall therefore not include the value of the Warrant Holder's warrants.

9.2 If a relevant authority should establish that the issuance and/or exercise of warrants shall be considered a salary allowance with the consequence that Veloxis Pharmaceuticals shall pay holiday allowance or the like to the Warrant Holder on the basis of the value of warrants, the subscription price shall be increased in order to compensate Veloxis Pharmaceuticals for the amounts that have been paid to the Warrant Holder in the form of holiday allowance or the like.

9.3 The fact that Veloxis Pharmaceuticals offers warrants to Warrant Holders shall not in any way obligate Veloxis Pharmaceuticals to maintain the employment.

10. Tax implications

10.1 The tax implications connected to the Warrant Holder's subscription for or exercise of warrants shall be of no concern to Veloxis Pharmaceuticals.

11. Governing Law and Venue

- 11.1** Acceptance of warrants, the terms and conditions thereto and the exercise, and terms and conditions for future subscription for shares in Veloxis Pharmaceuticals shall be governed by Danish law.
- 11.2** Any disagreement between the Warrant Holder and Veloxis Pharmaceuticals in relation to the understanding or implementation of the warrant scheme shall be settled amicably by negotiation between the parties.
- 11.3** If the parties fail to reach consensus, any disputes shall be settled in accordance with "Rules of Arbitration Procedure of Danish Arbitration". The Danish Institute of Arbitration shall appoint one arbitrator who shall settle the dispute according to Danish law.
- 11.4** In the event of discrepancies between the English and the Danish text the Danish text shall prevail.
