INVISIO Communications receives order from the Australian Department of Defence

INVISIO (IVSO) has, through its Australian distribution partner Defcon Technologies, received an order from the Australian Department of Defence. The order is for INVISIO M3 headsets with PTT (Push to Talk). The total order value is approximately SEK 1.8 m and the products will be delivered before the end of 2011.

"We are very pleased to see continued demand from Australia for our products and solutions. It is proof of the superior performance of our products and of the strong reputation that we have managed to build among the very demanding users in the Australian defence", said Lars Højgård Hansen, CEO of INVISIO Communications.

The order is for a number of INVISIO M3 headsets with the patented technology INVISIO Bone Conduction, which enables clear and interference-free communication in demanding and extreme conditions.
