**IT Exchange Notice****IT 149/11**

IT – INET OTF – Updated versions of Native FIX protocol specifications, “Native FIX - Transition service description and guideline” and “Port request form” now available on member extranet

As previously communicated in [IT-notice 108/11](#) and [IT-notice 126/11](#), NASDAQ OMX will introduce Native FIX connectivity for order entry and associated drop copies.

The new Native FIX connectivity will be offered in OTF from September 19, and will be available in Production from October 17. The transition to the Native FIX ports must be completed by all members in June 2012.

NASDAQ OMX has updated the Native FIX Order Entry, FIX Drop and FIX Drop for OUCH protocol specifications as well as the Native FIX – Transition service description and guideline. They are now available on NASDAQ OMX member extranet:

[http://nordic.nasdaqomxtrader.com/memberextranet/inetnordic/Connectivity\\_and\\_Protocols/](http://nordic.nasdaqomxtrader.com/memberextranet/inetnordic/Connectivity_and_Protocols/)

Members will have the option to order a new setup of Native FIX Order Entry ports, Native FIX Drop for FIX traffic and Native FIX Drop for OUCH traffic respectively or choose to have a copy of the existing configuration.

Please use the updated Native FIX port request form available on the member extranet:

[http://nordic.nasdaqomxtrader.com/memberextranet/inetnordic/Connectivity\\_and\\_Protocols/](http://nordic.nasdaqomxtrader.com/memberextranet/inetnordic/Connectivity_and_Protocols/)

For questions and assistance regarding port configuration, please contact NASDAQ OMX Member Services at: +46 8 405 6660, [memberservices@nasdaqomx.com](mailto:memberservices@nasdaqomx.com).

More information will be provided during upcoming IT-Forums.

**Questions and feedback**

For further information and feedback concerning this information please contact Tech Support at: +46 8 405 64 10, [operator@nasdaqomx.com](mailto:operator@nasdaqomx.com).

Best regards,

NASDAQ OMX Nordic
