State of Oregon Grants Contract Extension to SysteCh

Opus Prodox AB (publ) today announces that The Oregon Department of Environmental Quality (DEQ), has granted a one plus one year contract extension to Opus subsidiary, SysTech International, LLC.

Since the contract began in 2006, SysTech has provided numerous services in support of DEQ's vehicle emission inspection program including: design, manufacturing, delivery and onsite service of Oregon's Emission Inspection Equipment and Vehicle Inspection Database; the industry's first 24/7 self-service OBD Kiosk inspection lane; and the innovative wireless remote OBD System.

The Oregon DEQ operates seven centralized inspection facilities in the greater Portland area. Using SysTech equipment and systems, they inspect 800,000 vehicles each year.

"We are pleased that the Oregon DEQ has chosen to extend our contract", said Lothar Geilen, CEO of SysteCh. "We strive to provide the best quality service and equipment to our customers. We greatly appreciate DEQ's confidence in the SysteCh team as demonstrated by this contract extension."
