Exchange notice**IT 151/11****IT –Invitations to IT Forums**

Nasdaq OMX Nordic is pleased to invite you to a new set of IT Forums. They will be held in Stockholm, Helsinki, Copenhagen, Amsterdam and London. We are also having individual meetings with clients in Oslo and Paris.

The seminar is targeted primarily at IT personnel, and the main objective is to inform and discuss current initiatives and upcoming services from a technical perspective.

Agenda:

1. General introduction
2. Follow up from recent Genium INET projects
3. INET
 - a. Native FIX
 - b. Latency reduction on host
4. Genium INET
 - a. ITCH protocol support
 - b. Increased throughput
 - c. Trade reporting
 - d. Genium Risk
5. Bandwidth requirements & load predictions/calculations
6. Colocation services update and related project
 - a. Colocation Premium Access Services
 - b. Dedicated Gateway for Derivatives market
 - c. NASDAQ OMX Carrier Demarcation (NCD) project
 - d. Cross Connects

Dates and venues:

Please note that the starting time for the seminars is now generally later in the afternoon, due to customer requests. Paris and Oslo customers will receive individual invitations. The Forums will be held in Swedish in Stockholm, all other venues will be delivered in English. The London Forum will have a telephone conference open for those who cannot attend.
