## **2. Withdrawal of the pre-emptive right of the Company's shareholders to acquire newly issued shares of the Company; granting of the right to acquire newly issued shares of the Company.**

### ***Draft decision***

Following paragraph 1(13) of Article 20 and paragraph 5 of Article 57 of the Law of the Republic of Lithuania on Companies, also referring to the announcement of the Board of the Company regarding the withdrawal of the pre-emptive right of the Company's shareholders to acquire newly issued shares of the Company and granting of the right to acquire the shares, to withdraw the pre-emptive right of all the shareholders of the Company to acquire up to 10,000,000 (ten million) ordinary registered shares issued by the Company.

The Company is considering raising additional equity capital via a private placement to institutional investors to finance expansion of its operations and to strengthen its shareholders' base. To accomplish this goal, the Company proposes the increase of the authorised capital of the Company as well as withdrawal of the pre-emptive right of its current shareholders.

To analyse the available options and to secure the required assistance in placing the shares, the Company has retained UAB "SEB Enskilda", a private limited liability company, legal entity code 221949450, the address of the registered office at Gedimino pr. 12, Vilnius (hereinafter, "SEB Enskilda"), to act as an Arranger and a Lead Manager of the potential transaction.

The Company is proposing to undertake a private placing to institutional investors, which it considers to be more appropriate and practical alternative for raising additional equity than a public offering, which would have to be executed in case the pre-emptive right of the current shareholders of the Company were exercised. Furthermore, the indicated structuring of the transaction (including withdrawal of the pre-emptive right) would ensure that the Company is flexible with its timing as well as with its length, as the transaction would not be subject to issue and approval of the prospectus as well as to certain other restrictions on the earliest date of starting the offering and the shortest period of subscription for shares.

Due to the nature of the envisaged transaction, SEB Enskilda may need to borrow a certain amount of existing shares from one of the current shareholders to facilitate settlement of the transaction. It is intended that such borrowed shares will be used for settlement with investors, whilst the Arranger will use the proceeds to

subscribe for the new issue shares and return the shares to the lender.

For the reasons indicated above and as a technical measure, it is sought to withdraw the pre-emptive right of the current shareholders of the Company to acquire the shares to be newly issued and to grant the right to acquire such shares to SEB Enskilda. It is hereby suggested to grant SEB Enskilda the right to subscribe for and acquire newly issued shares of the Company (up to 10,000,000) in its contemplated role of the Arranger.

Furthermore, for the purpose of the aforementioned potential transactions, a current shareholder of the Company UAB "GINVILDOS INVESTICIJA", legal entity code 125436533, the address of the registered office at Turniškių st. 10A-2, Vilnius, consented to lend a relevant amount of the outstanding and paid shares of the Company, equal to the maximum number of the New Shares to be issued during this increase of the authorised capital of the Company (i.e. up to 10,000,000 shares), to SEB Enskilda in its contemplated role of the Arranger.

Following paragraph 1(13) of Article 20 and paragraph 5 of Article 57 of the Law of the Republic of Lithuania on Companies, also referring to the announcement of the Board of the Company regarding the withdrawal of the pre-emptive right of the Company's shareholders to acquire newly issued shares of the Company and granting of the right to acquire the shares, to withdraw the pre-emptive right of all the shareholders of the Company to acquire up to 10,000,000 (ten million) ordinary registered shares issued by the Company.
