Netop Solutions A/S
Netop develops and sells software solutions enabling swift, stable and secure transfer of video, screen images, sound and data between two or more computers. The company has three core business areas: Secure Remote Control, Classroom Management and Live Chat. Netop Remote Control is the most scalable and secure solution available on the remote control market today and more than half of the Fortune 100 companies apply this unique solution. Companies all over the world use Netop Remote Control to cut their support costs and comply with tough security requirements. Netop Solution's market-leading Classroom Management solutions for digital classroom management help students and teachers in 75 countries achieve results through virtual teaching. Greater efficiency and higher grades are but some of the results. Netop Live Guide, Netop's live chat solution, is a unique chat solution that enables businesses to offer better customer service, enhance their efficiency and sales and convert online visitors to customers. Netop has 130 employees and subsidiaries in the USA, the UK, Romania, China and Switzerland. The company sells its solutions to public and private sector customers in more than 80 countries. Netop Solutions A/S is listed on NASDAQ OMX Copenhagen. Netop generated revenue of DKK 92.1 million in 2010. For more information, go to www.netop.com.
