IT Exchange Notice**IT 183/11****IT – INET Production – Industry classification codes will be changed from GICS to ICB**

As of February 1, 2012 - NASDAQ OMX Nordic will change the existing industry classification codes (GICS standard) to the global standardized ICB classification codes.

The industry classification code is a part of the reference data on each equity instrument. Excluded from this action is instruments listed on Aktietorget.

Basic information regarding the ICB classification was published on October 26 in this press release: <https://newsclient.omxgroup.com/cdsPublic/viewDisclosure.action?disclosureId=474980&lang=en>

Time plan

- As from Tuesday December 13, testing is possible in the external test system INET OTF
- Production launch is scheduled for February 1, 2012
