PRESS RELEASE

LINKÖPING, MAY 23, 2012

IFS repurchases own shares

On the basis of the authorization received from the 2012 annual general meeting (AGM), the board of directors of Industrial and Financial Systems, IFS AB ("IFS"), (XSTO: IFS), has decided to repurchase a maximum of 250,000 B shares in IFS, which corresponds to approximately 1.0 percent of all shares in the company, for a maximum aggregate consideration of SKr 30 million.

The purpose of the repurchase is to accord the board a greater possibility to adjust the company's capital structure and thereby contribute to increased stockholder value. The repurchase will be made on Nasdaq OMX Stockholm pursuant to applicable rules, at a share price that falls within the registered range between the highest bid price and the lowest asking price at the time of acquisition, provided the price does not exceed the higher of the price of the last independent trade and the highest current independent bid price. Repurchases will be made as soon as possible, during the period from May 24 up to and including August 31, 2012, subject to prevailing legal provisions.

The total number of shares of all series in IFS currently amounts to 25,980,922. On the basis of authorization previously received by the AGM, IFS currently holds 846,966 B shares in own custody, of which 600,000, in accordance with the 2012 AGM resolution, are in the process of being cancelled.
