

**Appendix 12a Collateral restrictions to Rules and Regulations: Collateral List effective date July 16, 2012**

**NOTE - In case the collateral currency is different from the margin requirement currency: The Custodian Institution can choose to apply the maximum amount in the collateral currency and convert it to the margin requirement currency with the appropriate currency conversion rate (see General conditions and §I A in Appendix 12 Collateral List to the Rules and Regulations) or apply the maximum amount referenced directly in the different approved margin requirement currencies referenced in the table below. Note that currency conversion haircut shall be applied in all cases where the collateral currency is different from the margin requirement currency.**
