

PRESS RELEASE

Halmstad, 5 July 2012

Power production in the second quarter of 2012

In the second quarter of 2012 70.8 GWh were produced from the company's wind farms, an increase of 47.5 per cent on the same quarter the year before (48.0 GWh).

Growth in the company's electricity production since the first company-owned wind farm went into operation in spring 2009 is shown below:

To make it easier to assess the company's performance, we will in future be publishing information on electricity production and average income on a monthly basis.

About Arise Windpower

Arise Windpower is one of Sweden's leading companies in onshore wind power. Its business concept is to sell electricity generated at the company's own wind turbines. The company's target is to have about 700 MW (equivalent to about 300 wind turbines) in operation or under construction by 2014. Arise Windpower is listed on NASDAQ OMX Stockholm

Arise Windpower AB (publ), Box 808, SE-301 18 Halmstad, Sweden, tel. +46 (0)35 20 20 900, org.no. 556274-6726
