

Press Release

8 May 2009 – 09.00 a.m.

Peab builds leg at Citybanan

Peab has been commissioned to build a leg of the Citybanan at Tomtebodan in Solna. The customer is Banverket, the National Railroad Administration, and contract sum amounts to SEK 149 million.

The work includes construction of concrete tunnel and concrete troughs.

Work will commence in May 2009 and is expected to be ready for the final at the end of 2012.
