

PRESS RELEASE 2008-11-04

Eniro's Nomination Committee

According to the decision by the Annual General Meeting of Eniro on May 7, 2008, Eniro has established a nomination committee in accordance with the following process. The Chairman of the Board of Directors contacted the four largest shareholders in terms of voting rights, who each was invited to appoint one representative to serve as a member of the nomination committee, along with the Chairman of the Board. One of the four largest shareholders did not exercise their right to appoint a representative, whereby that right passed to the shareholders who, next to the above-mentioned shareholders, were holding the largest number of shares.

Eniro's nomination committee for the 2008 Annual General Meeting consists of Petteri Soininen, Hermes Focus Asset Management, Paras Anand, F&C Asset Management, Frank Larsson, Handelsbanken Asset Management, Arne Lööv, Fourth Swedish National Pension Fund and Lars Berg, Chairman of the Eniro Board. The nomination committee has appointed Petteri Soininen to serve as Chairman of the committee.

The nomination committee's task is to present proposals prior to the General Meeting on May 14, 2009 in regards to the number of members of the Board of Directors to be elected by the General Meeting, the fees for the Board of Directors, possible fees for work in the Board's committees, the composition of the Board of Directors, the Chairman of the Board of Directors, the chairman of the General Meeting and, when applicable, the election of auditors and fees for the auditors.
