Clarification of CEO remuneration in Annual Report 2008

Metro International SA. (Metro) published its Annual Report on 30th April 2009. In the notes to the financial statements (note 16) it is stated that the CEO, Per Mikael Jensen, received €336,000 as a variable remuneration in 2008.

This has in some media been interpreted as a bonus. However, the main part of the amount refers to the deferred stock that was agreed with Per Mikael Jensen when he joined Metro in 2007. It also includes a smaller amount which is linked to the variable remuneration for 2007, which was agreed and paid out during the spring of 2008.

Per Mikael Jensen has declined to receive any bonuses for 2008.
