**Announcement  
No. 16-2008**

11 august 2008

**Change in the expectations to the result of 2008**

The board of ebh bank a/s has decided to lower the expectation to the result of 2008.

The background for the change is primary the latest and continues negative development in the property market since the latest financial report.

The expectations changes to the interval 110 to 130 million danish kroner before tax, against the prior expectations of 210 to 230.

The result for 2008 is among more dependent of the development in the capital market.

Yours sincerely
