## Acando named 2008 Microsoft Dynamics President's Club and part of the elite Inner Circle

**Microsoft Honors Acando for outstanding customer commitment and sales achievement. In addition to becoming a member of the President's Club, Acando also joins the Inner Circle, where only 1% of the top partners are represented.**

Acando has been named the 2008 Microsoft Dynamics President's Club, receiving recognition from Microsoft Corporation for its dedicated commitment to customers. This honor reflects Acando's success in extending the Microsoft Dynamics platform to drive business advantages in companies in Europe.

This recognition came during the Microsoft Worldwide Partner Conference 2008 in Houston. The elite club recognizes the top 5 percent of Microsoft Business Solutions partners worldwide and their constant dedication to delivering solutions that meet their customers' unique needs, active pursuit of product and technological advancement, and impressive sales performance.

"Microsoft is proud to congratulate Acando on being named to this year's Microsoft Dynamics President's Club," said Doug Kennedy, vice president, Microsoft Dynamics Partners. "Acando not only has demonstrated a high level of product expertise, but also has provided a superior level of service and commitment to our Microsoft Dynamics customers, ultimately contributing to the overall success of Microsoft Dynamics and companies worldwide."

Microsoft is one of Acando's strategic partners and the combined knowledge enables a deep understanding of customers' business needs, empowering Acando to help customers leverage the full value of their system investments that promote their growth and competitive advantage. The major upcoming industry opportunity is professional services, where Acando works with leading and global companies contributing to their success.

"We are very proud to be part of the world's elite Microsoft Partners, which the membership in the Inner Circle proves. We look forward to continuing this success together with Microsoft and our customers", says Lars Wollung, CEO Acando.

"We see a continuous strong demand for Microsoft Dynamics AX & Microsoft Dynamics CRM consultants and we need to increase our recruitment of new staff. We welcome applications: [www.acando.com](http://www.acando.com), says Mattias Englund, Business Area Manager Microsoft Dynamics, Acando.
