About Curalogic

Curalogic is a Danish biopharmaceutical company listed on NASDAQ OMX Nordic Exchange Copenhagen (CUR.CO) as a SmallCap+ company. Curalogic has ample cash resources and has demonstrated its ability to conduct complex clinical studies with a small group of development experts. Curalogic has initiated a search process to identify development projects offering an attractive risk profile. Curalogic expects to conclude an agreement during 2008 that will secure future clinical development projects for the Company.

This announcement contains forward-looking statements regarding the Company's future financial development and performance and other statements which are not historical facts. Such statements are made on the basis of assumptions and expectations which, to the best of the Company's knowledge and belief, are reasonable, at this time, but may prove to be erroneous in the future.
