Henrik Östberg appointed SVP Human Resources and Sustainability for Boliden

Henrik Östberg, has been appointed Senior Vice President Human Resources and Sustainability for Boliden, effective August 4. Through this newly-created function Boliden is taking a firmer grip on the work with HR, environmental and social matters.

Henrik Östberg's most recent position was at Sapa where he was Group Vice President Corporate Strategy & Human Resources. Henrik has previously worked at Booz Allen Hamilton and McKinsey & Co where he was responsible for change management and organisational design.

In his new position Henrik will be focusing on strategical matters concerning HR, organisational and other internal processes. Henrik will be a member of Boliden's Management Group and report to Lennart Evrell, President and CEO.

Boliden is a leading European metals company whose core competence is in the fields of exploration, mining, smelting and recycling. Boliden's main metals are zinc and copper. Other important metals extracted and refined include lead, gold and silver. Operations are conducted in three Business Areas: Market, Smelters and Mines. The number of employees is approximately 4 500 and the turnover amounts to approximately EUR 3.6 billion annually. Boliden's shares are listed on Stockholmsbörsen's Large Cap list and on the Toronto Stock Exchange in Canada.
