Announcement No. 15-2008

9. July 2008

Amagerbanken awarded rating by Moody's

Today Amagerbanken was awarded the following ratings by Moody's:

Financial strength rating: C
Long-term deposit rating: A1
Short-term deposit rating: P-1

Amagerbanken has experienced a strong growth in business during the past years years, which has increased the focus on broadening the access to the capital market. Having been awarded a rating by Moody's the bank expects to obtain a more diversified funding base in the bond market.

Yours faithfully,

AMAGERBANKEN
