**Company Announcement no. 19/2008**

**The financing agreement concerning the Energia Verde project has been operational**

We are pleased to announce that the project financing agreement concerning the Greentech Energy Systems A/S' project, Energia Verde, with a capacity of 21 MW, located in Sardinia, has now become operational. Initially this has led to drawing on the financing of approximately EUR 20.0 million, corresponding to approximately DKK 150.0 million, which has been invested Greentech Energy Systems A/S as free cash flow.

Furthermore, it can be announced that the wind turbines since 1 March 2008 have been in full operation producing 14,446,000 kWh for the four-month period until 30 June 2008. This production figure is according to our expectations.
