Peab Industri awarded new contracts with municipalities worth SEK 90 million

Peab Industri has been awarded contracts for surfacing work by the municipalities of Sundsvall and Timrå worth SEK 72 million and 18 million respectively. The contracts are for maintenance and new surfacing work for both municipalities.

The contracts run until March 2012, with options for extensions.

“The contracts in Sundsvall and Timrå strengthen our position in the south of Norrland and gives us a long term foothold in the area, where we can also exploit synergies with other companies within Peab Industri”, comments K G Karlsson, deputy CEO of Peab Industri.
