

Nexus wins order from Amfa Finans

Nexus has received an order from Amfa Finans including delivery and installation of Nexus SafeAccess, Nexus' platform for secure authentication.

The order also includes Nexus MultiID Server which gives Amfa Finans the opportunity to offer their customers secure authentication using their e-legitimation (e-id). 'Safety and customer satisfaction is of great importance to Amfa. We also want to be pioneers within the technological area – therefore we have decided to work with Nexus, who have leading technology, good references and extensive experience within the information security business', says Micael Brewitz, IT Manager at Amfa Finans."
