

Rejlers receives a new order from the Swedish Prison and Probation Service

(REJL B)

Rejlers has received the order to perform control and inspection of new security systems at the Hall institution when a new security institution and a new surveillance central are being built.

The order also involves control and inspection when replacing security systems at Huddinge remand prison, Kumla and Saltvik.

The order value is about SEK 3.6 million and the assignment will be finished in March 2010.
