Rezidor announces a new Park Inn in Stuttgart, Germany

The Rezidor Hotel Group further strengthens its Park Inn portfolio in Germany and announces the Park Inn Stuttgart – the 181-room property is scheduled to open in Q1 or Q2 2010. “We are glad to arrive in Stuttgart with our fastest growing brand”, comments Kurt Ritter, President & CEO of Rezidor. “The Park Inn will benefit from an excellent location in the city center – only 100 meters away from Marienplatz.”

The TAG Group – developer of the hotel and the adjacent buildings – resumes that Rezidor is not only an important anchor tenant for the project. The modern and colorful concept of Park Inn enriches the architectural concept and is one of the highlights of the ambitious major project Stuttgart-Southgate.

The hotel will be built directly at Hauptstätter Straße / Kolbstraße as part of a mixed use complex including apartments, retail and offices. Besides 181 rooms its services will feature a lobby including bar, a restaurant with outside terrace, 8 meeting rooms and a pre-function area, a fitness & wellness area with rooftop terrace overlooking the city of Stuttgart, and underground parking.

Stuttgart is well-known for its cultural life, in particular due to the ‘Staatstheater’, which was awarded the “2006 Theatre of the Year”. Other attractions within the city include the zoological and botanical garden and the Mercedes-Benz museum. The city centre, museums and theatres are within walking distance of the site. Stuttgart’s national convention centre is located just outside the city and hosts over 30 international and national fairs and exhibitions per year.
