

## PA Resources postpones interim report until 30 November at the latest

As previously communicated, the Board of Directors and management of PA Resources are working on identifying and evaluating alternative refinancing solutions to enable continued development of the Company's prioritised assets. The goal is to present a solution during the month of November 2012.

Since the Company's financial position and earnings capacity are dependent on the structure of the chosen financing solution, the Board of Directors has decided to postpone publication of the interim report for the period January–September 2012 until 30 November 2012 at the latest.
