The Board of Directors and the Managing Director have prepared the report of the Board of Directors and the financial statements, which include the balance sheet, the income statement and notes to the financial statements. Based on our audit we express an opinion on these financial statements, as well as on the report of the Board of Directors and on administration.

We have conducted the audit in accordance with Finnish Standards on Auditing. Those standards require that we perform the audit to obtain reasonable assurance about whether the report of the Board of Directors and the financial statements are free of material misstatement. An audit includes examining on a test basis evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statement. The purpose of our audit of administration is to examine that the members of the Board of Directors and the Managing Director have complied with the rules of the Companies Act.

In our opinion the report of the Board of Directors and the financial statements have been prepared in accordance with the Accounting Act and other rules and regulations governing the preparation of financial statements in Finland. The report of the Board of Directors is consistent with the financial statements. The financial statements can be adopted and the members of the Board of Directors and the Managing Director can be discharged from liability for the financial period audited by us.
