Exchange notice**IT 95/12****NASDAQ OMX Genium INET External Test System 2
Close Down and upgrade**

This IT Notice is aimed at all users of the Genium INET platform. The member extranet http://nordic.nasdaqomxtrader.com/memberextranet/genium_inet/ is always updated with the latest Genium INET related documentation.

Genium INET External Test System 2 will close December 10, 2012 and open again on December 17, 2012.

The environment will during this week be prepared for the coming Genium INET v0222 release, planned for production March 25, 2013. The Genium INET External Test System 2 environment will be available for logons again on December 17th.

Please use Genium INET External Test System 1 for test of both trading and clearing functionalities or Genium INET External Test System 3 for test of trading only.

Please see http://nordic.nasdaqomxtrader.com/memberextranet/genium_inet/testing/ for more information about the test systems.
