FOR IMMEDIATE RELEASE

*BEYZACASES WILL LAUNCH EXCLUSIVE ASTON MARTIN LUXURY MOBILE ACCESSORIES AT CES INTERNATIONAL 2013 IN LAS VEGAS.*

Istanbul , 12.18.2012

The elegant forms and shapes of an Aston Martin provide the inspiration to Beyzacases for the handcrafted design of its latest luxury mobile accessories.

The Aston Martin range includes elegant smartphone and tablet cases, made from the finest full grain leather, with subtle details that echo the interior of an Aston Martin cabin. The lining material, Alcantara, is used to furnish many Aston Martins, giving the cases the same luxury feel and finish

The pure and elegant lines of an Aston Martin are infused into every case and tablet design, with the focus on the fusion of functionality with beauty, to guarantee luxury mobile accessories worthy of the Aston Martin marque.

---

Beyzacases has been based in Istanbul since 2004. The launch of this luxury mobile accessories collection for Aston Martin, introduces them to the worldwide luxury goods market.

This exclusive collection will make its debut at International CES, South Hall, Booth 31646, with esteemed guests in attendance.

The Aston Martin luxury mobile accessories collection will also be available at [www.beyzacases.com/astonmartin](http://www.beyzacases.com/astonmartin)
